

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stuart Skinner
DOCKET NO.: 19-05008.001-R-1
PARCEL NO.: 11-17-406-002

The parties of record before the Property Tax Appeal Board are Stuart Skinner, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$71,034
IMPR.: \$139,629
TOTAL: \$210,663

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,258 square feet of living area. The dwelling was constructed in 1974 and has an effective age of 1977. Features of the home include an unfinished basement, central air conditioning, a fireplace, a 514 square foot garage and an enclosed porch with 299 square feet of building area. The property has a 15,577 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on ten comparable sales located within 0.76 of a mile from the subject property. The comparables have sites that range in size from 9,854 to 17,062 square feet of land area and are improved with two-story dwellings of brick, frame or brick and frame exterior construction that range in size from 2,640 to 3,756 square feet of living area. The

dwelling were built from 1977 to 1997. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 441 to 846 square feet of building area. The properties sold from January 2018 to July 2019 for prices ranging from \$413,050 to \$638,000 or from \$156.46 to \$198.41 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$192,203 which reflects a market value of \$576,667 or \$177.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$210,663. The subject's assessment reflects a market value of \$640,508 or \$196.60 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.28 of a mile to 1.21 miles from the subject property. The comparables have sites that range in size from 11,187 to 19,268 square feet of land area and are improved with two-story dwellings of frame or brick and frame exterior construction that range in size from 2,888 to 3,317 square feet of living area. The homes were built from 1963 to 1987 with four properties having effective ages ranging from 1989 to 1996. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 384 to 484 square feet of building area. The properties sold from June 2018 to June 2019 for prices ranging from \$572,000 to \$653,500 or from \$182.39 to \$211.35 per square foot of living area, land included.

The board of review included comments contending the subject's location in Interlaken is superior to properties located in Interlaken Ridge. It argued that the appellant's "low comps sit next to or in view of high tension lines" and argued the subject has a "superior bath and fixture count." Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 15 comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3, #4, #7 and #10 along with board of review comparables #2, #3, #4 and #5 which are less similar to the subject in dwelling size and/or age/effective age than other comparables in the record.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, design, dwelling size and other features. These

comparables sold from August 2018 to July 2019 for prices ranging from \$490,000 to \$653,500 or from \$160.03 to \$211.35 per square foot of living area, including land. The subject's assessment reflects a market value of \$640,508 or \$196.60 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
