

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barb Gick
DOCKET NO.: 19-05015.001-R-1
PARCEL NO.: 10-19-306-025

The parties of record before the Property Tax Appeal Board are Barb Gick, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,167
IMPR.: \$95,783
TOTAL: \$124,950

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,263 square feet of living area. The dwelling was constructed in 1994. Features of the home include a basement with finished area, central air conditioning, one fireplace, an enclosed porch and a 682 square foot garage. The property has a 37,460 square foot site and is located in Wauconda, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.27 of a mile from the subject property. The comparables have sites that range in size from 11,070 to 19,170 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 3,057 to 3,271 square feet of living area. The dwellings were built from 1993 to 1999. Each comparable has a basement, one with finished area, central air conditioning,

one fireplace and a garage ranging in size from 484 to 704 square feet of building area. Comparable #3 also includes an enclosed porch feature while comparable #4 features an inground swimming pool. The properties sold from September 2018 to June 2019 for prices ranging from \$321,600 to \$420,000 or from \$102.10 to \$136.72 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$124,950 which reflects a market value of \$374,887 or \$114.89 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$129,114. The subject's assessment reflects a market value of \$392,563 or \$120.31 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.27 of a mile from the subject property. Board of review comparables #1 through #4 are the same properties as the appellant's comparables #4, #3, #2 and #1, respectively, which were previously described. Comparable #5 has a site with 14,450 square feet of land area and is improved with a two-story dwelling of vinyl siding exterior construction with 3,589 square feet of living area. The home was built in 1998, has a basement with finished area, central air conditioning, one fireplace and a 767 square foot garage. The five properties sold from September 2018 to November 2019 for prices ranging from \$295,000 to \$420,000 or from \$82.20 to \$136.72 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains five comparable sales for the Board's consideration, as four comparables were common to both parties. The Board gives less weight to the appellant's comparable #4/board of review comparable #1 which features an inground swimming pool unlike the subject. The Board finds best evidence of market value are the remaining comparables which are similar to the subject in location, age, design, dwelling size and some features, although each of the comparables has a smaller site size and two of the comparables lack finished basements when compared to the subject. The comparables sold from September 2018 to November 2019 for prices ranging from \$295,000 to \$355,000 or from \$82.20 to \$116.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$392,563 or \$120.31 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment, commensurate with the appellant's request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
