

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tim & Donna Cardwell  
DOCKET NO.: 19-05018.001-R-1  
PARCEL NO.: 10-19-402-014

The parties of record before the Property Tax Appeal Board are Tim & Donna Cardwell, the appellants, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$31,170  
**IMPR.:** \$161,877  
**TOTAL:** \$193,047

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of wood siding exterior construction with 2,896 square feet of living area. The dwelling was constructed in 1993. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 1,026 square foot garage. The property has an 80,040 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on five comparable properties, three of which had recent sales. Comparables #2 and #3 lack recent sale information and shall not be further analyzed or discussed. The three comparable sales are located from 2.15 to 2.93 miles from the subject property. The comparables have sites that range in size from 17,420 to 90,170 square feet of land area and are improved with one-story dwellings of brick or brick and wood siding exterior

construction that range in size from 2,651 to 3,250 square feet of living area. The dwellings were built from 1974 to 2008. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 576 to 715 square feet of building area. The properties sold in May or June 2018 for prices ranging from \$355,000 to \$629,500 or from \$133.91 to \$212.60 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$142,855 which reflects a market value of \$428,608 or \$148.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$193,047. The subject's assessment reflects a market value of \$586,947 or \$202.68 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.09 of a mile to 3.66 miles from the subject property. The comparables have sites that range in size from 51,840 to 196,460 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 2,036 to 3,277 square feet of living area. The homes were built from 1986 to 1998. Each comparable has a basement, three with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 875 to 1,040 square feet of building area. Comparable #3 is also reported to feature a four-side closed WD pole building and a flat barn. The properties sold from September 2016 to June 2018 for prices ranging from \$475,000 to \$577,000 or from \$172.76 to \$233.30 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to board of review comparables #1, #2 and #4 which sold in 2016, less proximate to the January 1, 2019 assessment date at issue in this appeal.

The Board finds the best evidence of market value to be the remaining comparables which have varying degrees of similarity to the subject but sold more proximate in time to the assessment date at issue. These comparables sold in May or June 2018 for prices ranging from \$355,000 to \$629,500 or from \$133.91 to \$233.30 per square foot of living area, including land. The subject's assessment reflects a market value of \$586,947 or \$202.68 per square foot of living area, including land, which falls within the range established by the best comparable sales in this

record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
