

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Gill  
DOCKET NO.: 19-05029.001-R-1  
PARCEL NO.: 10-33-201-022

The parties of record before the Property Tax Appeal Board are James Gill, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$21,650  
**IMPR.:** \$81,673  
**TOTAL:** \$103,323

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story townhome of brick and wood siding exterior construction with 2,148 square feet of living area. The dwelling was constructed in 2009. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 498 square foot garage. The property has a 2,660 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on 10 comparable sales located within 0.82 of a mile from the subject property. The comparables have sites that range in size from 2,210 to 2,900 square feet of land area and are improved with two-story townhomes of brick or brick and wood siding exterior construction that range in size from 2,108 to 2,343 square feet of living area. The dwellings were built from 2005 to 2010. Each comparable has a basement, seven with finished

area and five of which are walkout in style, central air conditioning, one fireplace and a garage ranging in size from 417 to 488 square feet of building area. The properties sold from April 2016 to May 2019 for prices ranging from \$242,000 to \$349,000 or from \$114.80 to \$156.07 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$98,643 which reflects a market value of \$295,959 or \$137.78 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$103,323. The subject's assessment reflects a market value of \$314,147 or \$146.25 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.75 of a mile from the subject property. Board of review comparables #1 and #3 are the same properties as the appellant's comparables #5 and #6, respectively, which were previously described. Comparable #2 has a site size of 2,660 square feet of land area and is improved with a two-story townhome of brick exterior construction with 2,331 square feet of living area. The home was built in 2005, has a basement with finished area, central air conditioning, one fireplace and a 463 square foot garage. Comparable #2 sold in October 2017 for a price of \$337,500 or \$144.79 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains 11 comparable sales for the Board's consideration, as two properties were common to both parties. The Board gives less weight to the appellant's comparables #5, #6 and #7 along with the board of review comparables which differ from the subject in having unfinished basements compared to the subject's finished basement and/or sold in 2016 or 2017, less proximate in time to the January 1, 2019 assessment date at issue than other comparables in the record.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and features. These comparables sold from March 2018 to May 2019 for prices ranging from \$242,000 to \$349,000 or from \$114.80 to \$151.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$314,147 or \$146.25 per square foot of living area, including land, which falls within the range established by the best comparable sales in this

record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
