

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Stolzenburg  
DOCKET NO.: 19-05033.001-R-1  
PARCEL NO.: 12-21-107-044

The parties of record before the Property Tax Appeal Board are Mark Stolzenburg, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$87,827  
**IMPR.:** \$190,745  
**TOTAL:** \$278,572

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,786 square feet of living area. The dwelling was constructed in 1995. Features of the home include a full basement with finished area, central air conditioning, a fireplace, and a 575 square foot garage. The property has a 9,830 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.27 to 0.45 of a mile from the subject and one comparable is located within the same assessment neighborhood code as the subject. The parcels range in size from 7,860 to 9,380 square feet of land area and are improved with 1.75-story or 2-story homes of wood siding or stucco and stone exterior construction ranging in size from 2,719 to 2,952 square feet of living area. The dwellings were

built from 1986 to 2007. Each home has a full or partial basement with finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 380 to 440 square feet of building area. The comparables sold in September or October 2018 for prices ranging from \$805,000 to \$847,500 or from \$274.39 to \$311.70 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$278,572. The subject's assessment reflects a market value of \$846,981 or \$304.01 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the same assessment neighborhood code as the subject. The parcels range in size from 8,400 to 9,870 square feet of land area and are improved with 2-story homes of wood siding or stucco exterior construction ranging in size from 2,811 to 3,450 square feet of living area. The dwellings were built from 1984 to 1998. Each home has a full basement with finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 440 to 528 square feet of building area. The comparables sold from March 2018 to December 2019 for prices ranging from \$825,000 to \$1,075,000 or from \$293.49 to \$369.02 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparable #1, which is a significantly larger home than the subject dwelling. The Board gives less weight to the appellant's comparable #1 and the board of review's comparable #2, which are less similar in age to the subject than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #3 and the board of review's comparables #3 and #4, which are similar to the subject in dwelling size, age, location, site size, and most features. These most similar comparables sold from September 2018 to December 2019 for prices ranging from \$810,000 to \$1,000,000 or from \$274.39 to \$345.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$846,981 or \$304.01 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
