

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Glenn Plencner  
DOCKET NO.: 19-05045.001-R-1  
PARCEL NO.: 14-03-401-012

The parties of record before the Property Tax Appeal Board are Glenn Plencner, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$30,174  
**IMPR.:** \$115,268  
**TOTAL:** \$145,442

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 2,613 square feet of living area. The dwelling was constructed in 1987. Features of the home include an unfinished basement, central air conditioning, a fireplace, and an 806 square foot garage. The property has a 40,076 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the same neighborhood as the subject. The comparables consist of one-story dwellings of frame or brick exterior construction that were built from 1967 to 1979. The dwellings range in size from 2,406 to 2,530 square feet of living area and are situated on sites that range in size from 33,868 to 42,954 square feet of land area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 566 to 1,008 square feet of building area. The comparables sold from

May 2018 to June 2019 for prices ranging from \$345,000 to \$394,000 or from \$142.09 to \$163.76 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$145,442. The subject's assessment reflects an estimated market value of \$442,207 or \$169.23 per square foot of living area, including land, when applying the 2019 three-year average median level of assessment for Lake County of 32.89%.

In support of the subject's assessment, the board of review submitted on five comparable sales located within the same neighborhood as the subject.<sup>1</sup> The comparables have sites ranging in size from 40,350 to 54,150 square feet of land area and are improved with one-story dwellings of frame or brick exterior construction that were built from 1978 to 1987. The dwellings range in size from 2,144 to 2,874 square feet of living area. Each comparable is reported to have an unfinished basement with one being a walk out. Each comparable has central air conditioning, one or three fireplaces and a garage ranging in size from 552 to 1,560 square feet of building area. Board of review comparable #4 has a 560 square foot inground swimming pool. The comparables sold from June 2017 to November 2019 for prices ranging from \$412,500 to \$530,000 or from \$170.49 to \$247.20 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to appellant's comparable #1 due to its older age and to board of review comparable #4 which has an inground swimming pool when compared to the subject. The Board gives less weight to board of review comparable #6 as it sold in June 2017 which is less proximate in time to the January 1, 2019, assessment date than the other sales in the record and less likely to be reflective of market value. The Board finds the best evidence of market value to be the parties' remaining comparables which sold proximate in time to the assessment date at issue. These comparables are similar to the subject in location, age, dwelling size, and features. These comparables sold from April 2018 to November 2019 for prices ranging from \$384,500 to \$514,900 or from \$151.98 to \$187.30 square foot of living area, including land. The subject's assessment reflects an estimated market value of \$442,207 or \$169.23 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the most recent comparables sales for differences when compared to the subject, the Board finds the appellant did not prove by a preponderance of the evidence that a reduction in the subject's assessment based on overvaluation is justified.

<sup>1</sup> The Board finds board of review comparables #1 and #5 are the same property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
