

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peggy Thurman
DOCKET NO.: 19-05053.001-R-1
PARCEL NO.: 11-03-303-009

The parties of record before the Property Tax Appeal Board are Peggy Thurman, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$55,285
IMPR.: \$135,609
TOTAL: \$190,894

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 3,523 square feet of living area. The dwelling was constructed in 1988. Features of the home include an unfinished basement, central air conditioning, a fireplace, an inground swimming pool, hot tub and an 864 square foot garage. The property has a 42,859 square foot site and is located in Waukegan, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .20 miles from the subject. The comparables have sites that range in size from 41,340 to 44,530 square feet of land area and are improved with two-story dwellings of wood siding or brick and wood siding exterior construction that were built from 1987 to 1990. The dwellings range in size from 2,918 to 3,690 square feet of living area. Each comparable has an unfinished basement, central air

conditioning, one fireplace and a garage ranging in size from 637 to 753 square feet of building area. The comparables sold from April 2018 to March 2019 for prices ranging from \$359,000 to \$570,000 or from \$120.60 to \$159.98 per square foot of living area, including land. The appellant's evidence indicated the subject sold on October 31, 2017, for \$535,000 or \$151.86 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$190,894. The subject's assessment reflects a market value of \$580,401 or \$164.75 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on two comparable sales located within .19 miles from the subject. Board of review comparable #1 was submitted and described by the appellant as comparable #3. Board of review comparable #2 is described as a two-story dwelling of frame exterior construction that was built in 1989 on a site containing 53,260 square feet of land area. The dwelling has 2,829 square feet of living area and features an unfinished basement, central air conditioning, one fireplace, and a garage with 812 square feet of building area. This comparable sold in September 2018 for \$542,500 or for \$191.76 per square foot of living area, including land. The board of review noted that the subject's 2018 assessment was reduced to reflect the subject's 2017 sale price. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains four suggested comparable sales for the Board's consideration, one of which is common to both parties. The Board gives less weight to appellant's comparable #2 and board of review comparable #3 due to having a smaller dwelling size and/or a larger site size when compared to the subject. The Board finds the best evidence of the subject's market value to be the parties' common comparable and appellant's comparable #1. These comparables are similar to the subject in location, age, site size, dwelling size and some features with the exception that neither comparable has an inground swimming pool. The comparables sold in April and July 2018 for prices of \$445,000 and \$570,000 or for \$120.60 and \$159.98 per square foot of living area, including land. The subject's assessment reflects a market value of \$580,401 or \$164.75 per square foot of living area, including land, which is greater than the two best comparable sales in the record. However, after considering adjustments to the best comparable sales for differences such as features when compared to the subject, the Board finds the appellant failed to prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
