

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Simms
DOCKET NO.: 19-05073.001-R-1
PARCEL NO.: 11-02-305-007

The parties of record before the Property Tax Appeal Board are Susan Simms, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$60,312
IMPR.: \$244,876
TOTAL: \$305,188

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 5,048 square feet of living area. The dwelling was constructed in 1996. Features of the home include a basement, central air conditioning, a fireplace, and a 836 square foot garage. The property has a 23,949 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.13 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 30,952 to 33,092 square feet of land area and are improved with two-story homes of brick and frame exterior construction ranging in size from 4,223 to 4,734 square feet of living area. The dwellings were built in 1995 or 1996. Each of the homes has a walkout-

style basement, central air conditioning, one to three fireplaces, and a garage ranging in size from 754 to 819 square feet of building area. The comparables sold from October 2018 to July 2019 for prices ranging from \$865,000 to \$925,000 or from \$195.40 to \$204.83 per square foot of living area, including land.

The appellant noted that all of these comparables are waterfront properties with significantly higher land values than the subject.

Based on this evidence, the appellant requested a total assessment of \$296,120 which would reflect a market value of \$888,449 or \$176.00 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$305,188. The subject's assessment reflects a market value of \$927,905 or \$183.81 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.15 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 21,540 to 28,560 square feet of land area and are improved with two-story homes of wood siding or brick and wood siding exterior construction ranging in size from 3,373 to 4,496 square feet of living area. The dwellings were built in 1995 or 1996 with one home built in 1995 having an effective age of 1996. Each of the homes has a basement, one of which is a walkout-style basement, central air conditioning, one to four fireplaces, and a garage ranging in size from 720 to 816 square feet of building area. Comparable #3 has an inground swimming pool. The comparables sold from September 2018 to December 2019 for prices ranging from \$630,000 to \$793,500 or from \$176.49 to \$207.63 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables #1 and #2 which each have a much smaller dwelling than the subject home, and the board of review's comparable #3, which has an inground pool that is not a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparables, which are relatively similar to the subject in dwelling size, age, and some features. These most similar comparables sold from October 2018 to July 2019 for prices ranging from \$865,000 to \$925,000 or from \$195.40 to \$204.83 per square foot of living area, including land. The subject's assessment reflects a market value of \$927,905 or \$183.81 per square foot of living area, including land, which is slightly above the range established by the best comparable sales in terms of total market value and below the range on a price per square foot basis, which is logical because the subject dwelling is larger than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
