

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patrick Kennedy
DOCKET NO.: 19-05077.001-R-1
PARCEL NO.: 11-14-301-057

The parties of record before the Property Tax Appeal Board are Patrick Kennedy, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,885
IMPR.: \$115,918
TOTAL: \$172,803

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 2,739 square feet of living area. The dwelling was constructed in 1984 and has an effective age of 1994. Features of the home include a basement, central air conditioning, a fireplace, and a 625 square foot garage. The property has a 80,336 square foot, or 1.84 acre, site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.27 to 0.59 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 81,687 to 90,385 square feet of land area and are improved with one-story or two-story homes of frame or brick and frame construction ranging in size from 2,540 to 2,810 square feet of living area. The dwellings were built in 1972 or 1973

with one home built in 1973 having an effective age of 1980. Each of the homes has a basement, central air conditioning, two fireplaces, and a garage ranging in size from 496 to 780 square feet of building area. Comparable #2 has a bath house. The comparables sold from November 2017 to May 2019 for prices ranging from \$400,000 to \$478,000 or from \$149.25 to \$188.19 per square foot of living area, including land.

Based on this evidence, the appellant requested a total assessment of \$115,939 which would reflect a market value of \$347,852 or \$126.99 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$172,803. The subject's assessment reflects a market value of \$525,397 or \$191.82 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables are located from 0.49 to 0.57 of a mile from the subject property and one of the comparables is located in the same assessment neighborhood code as the subject property. The parcels range in size from 39,370 to 86,770 square feet of land area and are improved with one-story homes of brick or wood siding exterior construction ranging in size from 2,036 to 2,902 square feet of living area. The dwellings were built from 1953 to 1977 with two of the homes having effective dates of 1970 and 1995. Each of the homes has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 462 to 576 square feet of building area. The comparables sold from May to October 2018 for prices ranging from \$530,000 to \$565,000 or from \$194.69 to \$261.54 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 and to the board of review's comparable #1, due to differences from the subject in dwelling style and/or dwelling size.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparables #2 and #3, which are similar to the subject in dwelling style, dwelling size, and most features. These most similar comparables sold from May to December 2018 for prices ranging from \$420,000 to \$565,000 or from \$149.47 to \$215.97 per square foot

of living area, including land. The subject's assessment reflects a market value of \$525,397 or \$191.82 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
