

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerry Thompson
DOCKET NO.: 19-05094.001-R-1
PARCEL NO.: 11-08-408-035

The parties of record before the Property Tax Appeal Board are Jerry Thompson, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$70,364
IMPR.: \$196,907
TOTAL: \$267,271

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding and brick exterior construction with 3,890 square feet of living area. The dwelling was built in 1994. Features of the home include an unfinished full basement, central air conditioning, one fireplace and an attached garage with 827 square feet of building area. The property has a site with approximately 14,960 square feet of land area and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparables, however, no sales information was provided for comparable #5, therefore, this property will not be further discussed.¹ The

¹ For ease of understanding the second set of three comparables provided by the appellant will be designated as comparables #6, #7, and #8, respectively.

comparables are improved with two story dwellings of brick or brick and frame construction ranging in size from 3,401 to 4,220 square feet of living area. The homes were built from 1992 to 2003. Each comparable has an unfinished basement, central air conditioning, one to three fireplaces, and an attached garage ranging in size from 620 to 1,062 square feet of building area. Each property has the same assessment neighborhood code as the subject and are located from .09 to .43 miles from the subject property. The comparables have sites ranging in size from 14,911 to 20,778 square feet of land area. The comparables sold from May 2018 to June 2019 for prices ranging from \$705,000 to \$873,000 or from \$180.55 to \$221.75 per square foot of living area, including land. The appellant requested the subject's assessment be reduced to \$256,714.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$267,271. The subject's assessment reflects a market value of \$812,621 or \$208.90 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales improved with two-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,412 to 4,220 square feet of living area. The homes were built from 1992 to 1999. Each comparable has an unfinished full basement, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 672 to 808 square feet of building area. The comparables have the same assessment neighborhood code as the subject property and are located from approximately .18 to .39 miles from the subject. The comparables have sites ranging in size from approximately 15,030 to 21,790 square feet of land area. The sales occurred from July 2018 to October 2019 for prices ranging from \$765,000 to \$873,000 or from \$201.85 to \$228.60 per square foot of living area, including land. Board of review comparables #1 and #2 are the same properties as appellant's comparables #6 and #8, respectively.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). Based on the evidence in this record, the Board finds a reduction in the subject's assessment is not justified.

The record contains nine comparable sales submitted by the parties to support their respective positions with two comparables being common to both parties. The comparables are all similar to the subject property in location, age, style, size and features. These comparables range in size from 3,401 to 4,220 square feet of living area and sold for prices ranging from \$705,000 to \$873,000 or from \$180.55 to \$228.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$812,621 or \$208.90 per square foot of living area, including land, which is within the range established by the comparable sales in this record.

Docket No: 19-05094.001-R-1

Based on this record the Board finds the assessment of the subject property as established by the board of review is correct and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
