

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Russell Wiesneth
DOCKET NO.: 19-05103.001-R-1
PARCEL NO.: 11-07-403-014

The parties of record before the Property Tax Appeal Board are Russell Wiesneth, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$55,285
IMPR.: \$115,085
TOTAL: \$170,370

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and brick exterior construction with 2,589 square feet of living area. The dwelling was constructed in 1987. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 483 square foot garage. The property has an 11,835 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.31 of a mile from the subject property. The comparables have sites that range in size from 11,507 to 21,203 square feet of land area and are improved with two-story dwellings of frame and brick exterior construction that range in size from 2,470 to 3,032 square feet of living area. The dwellings were built in 1987 or 1988. Each comparable has an unfinished basement, central air

conditioning, one fireplace and a garage ranging in size from 400 to 483 square feet of building area. The properties sold from December 2017 to March 2019 for prices ranging from \$460,000 to \$520,000 or from \$166.56 to \$186.23 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$159,639 which reflects a market value of \$478,965 or \$185.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$172,983. The subject's assessment reflects a market value of \$525,944 or \$203.15 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.31 of a mile from the subject property. Board of review comparable #4 is the same property as the appellant's comparable #5. The comparables have sites that range in size from 10,988 to 15,102 square feet of land area and are improved with two-story dwellings of frame or frame and brick exterior construction that range in size from 2,557 to 2,589 square feet of living area. The homes were built in 1987 or 1988. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage with either 400 or 483 square feet of building area. The properties sold from March 2018 to May 2019 for prices ranging from \$480,250 to \$539,000 or from \$185.50 to \$210.79 per square foot of living area, land included.

The board of review included comments on its grid analysis critiquing the appellant's comparables arguing comparable #1 has a larger dwelling size, comparable #3 sold in 2017, and without documentary evidence, asserted the appellant's comparable #4 is "not a sale." Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains eight comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to the appellant's comparables #1, #2 and #3 along with board of review comparable #1 and #2 which are less similar to the subject in dwelling size, site size and/or sold in 2017, less proximate in time to the January 1, 2019 assessment date than other comparables in the record.

The Board finds the best evidence of market value to be the remaining three comparables which are identical or nearly identical to the subject in location, age, design, dwelling size and other features. These comparables sold from March 2018 to March 2019 for prices ranging from

\$480,250 to \$515,000 or from \$179.93 to \$200.31 per square foot of living area, including land. The subject's assessment reflects a market value of \$525,944 or \$203.15 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
