

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eric Clawson
DOCKET NO.: 19-05121.001-R-2
PARCEL NO.: 12-33-409-094

The parties of record before the Property Tax Appeal Board are Eric Clawson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$141,683
IMPR.: \$334,360
TOTAL: \$476,043

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with stucco exterior construction containing 4,257 square feet of living area. The dwelling was constructed in 1999. Features of the home include a partially finished basement, a fully finished attic, central air conditioning, two fireplaces and an attached 661 square foot garage. The property has a 23,850 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .04 to .46 of a mile from the subject, with comparables #1 and #3 located within the same neighborhood code as the subject. The comparables have sites ranging in size from 23,820 to 45,300 square feet of land area that are improved with 2-story dwellings containing from 3,992 to 4,846 square feet of living area. The dwellings were built from 1967 to 2006. The comparables have basements, two

of which with finished area, central air conditioning, from two to four fireplaces and an attached garage ranging in size from 600 to 814 square feet of building area. One comparable has a fully finished attic. The comparables sold from June 2018 to May 2019 for prices ranging from \$862,500 to \$1,475,000 or from \$177.98 to \$353.97 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$513,282. The subject's assessment reflects a market value of \$1,560,602 or \$366.60 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .04 of a mile to 1.66 miles from the subject and within the same neighborhood code as the subject. The board of review's comparable #1 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 25,500 to 33,500 square feet of land area that are improved with 1.75-story or 2-story dwellings containing from 4,167 to 4,966 square feet of living area. The dwellings were built in 1997 or 1998. The comparables have basements, two of which with finished area, central air conditioning, from two to four fireplaces and an attached garage ranging in size from 506 to 814 square feet of building area. One comparable has a wood deck. The comparables sold from June 2018 to January 2019 for prices ranging from \$1,475,000 to \$2,160,000 or from \$310.22 to \$434.96 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of five comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparable #1, as well as the board of review's comparables #2 and #3, due to their differences in age and/or dwelling size, when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, are similar to the subject in many aspects. These comparables sold for prices of \$1,242,500 and \$1,475,000 or \$311.25 and \$353.97 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,560,602 or \$366.60 per square foot of living area, including land, which falls above the market values of the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's higher estimated market value as reflected by its assessment is not supported. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
