

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Don Spieth
DOCKET NO.: 19-05142.001-R-1
PARCEL NO.: 14-23-401-023

The parties of record before the Property Tax Appeal Board are Don Spieth, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 44,206
IMPR.: \$138,914
TOTAL: \$183,120

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,684 square feet of living area. The dwelling was constructed in 1990. Features of the home include a full basement, central air conditioning, two fireplaces and an 891 square foot garage. The property has a 70,385 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. The parcels range in size from 56,411 to 83,450 square feet of land area which are improved with two-story dwellings of brick or brick and frame exterior construction. The dwellings were built in either 1988 or 1989 and range in size from 3,613 to 4,327 square feet of living area. Each dwelling has an unfinished full basement where comparable #1 is a walkout-style. Features include central air conditioning, one to three

fireplaces and a garage ranging in size from 719 to 910 square feet of building area. The appellant relied upon the Multiple Listing Service (MLS) data sheet for comparable #3 noting the property had been rehabbed in 2012. The comparables sold from January 2017 to September 2018 for prices ranging from \$450,000 to \$621,000 or from \$104.00 to \$158.50 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduced total assessment of \$169,447 which would reflect a market value of approximately \$508,392 or \$138.00 per square foot of living area, including land, when applying the statutory level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$183,120. The subject's assessment reflects a market value of \$556,765 or \$151.13 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, where board of review comparables #3 and #4 are the same properties as appellant's comparables #4 and #3, respectively. The comparables are each located in the same assessment neighborhood code as the subject property. The parcels range in size from 70,349 to 83,450 square feet of land area which are improved with two-story dwellings of brick or brick and frame exterior construction. The dwellings were built from 1987 to 1989 and range in size from 3,522 to 4,076 square feet of living area. Each dwelling has an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 690 to 910 square feet of building area. The comparables sold from March 2018 to December 2019 for prices ranging from \$535,000 to \$621,000 or from \$138.53 to \$158.50 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales, two of which were common to both parties, to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparable #1 due to its larger dwelling size and walkout-style basement when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #2, #3 and #4 along with the board of review comparable sales, two of which were presented by the appellant. These most similar comparables sold from January 2017 to December 2019 for prices ranging from \$500,000 to \$621,000 or from \$138.39 to \$158.50 per square foot of living area,

including land. The subject's assessment reflects a market value of \$556,765 or \$151.13 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
