

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jason Irvine
DOCKET NO.: 19-05165.001-R-1
PARCEL NO.: 14-21-407-042

The parties of record before the Property Tax Appeal Board are Jason Irvine, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 26,613
IMPR.: \$123,914
TOTAL: \$150,527

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame with brick trim exterior construction with 2,492 square feet of living area. The dwelling was constructed in 1993. Features of the home include an unfinished full basement, central air conditioning, a fireplace and a 462 square foot garage. The property has a 9,941 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located in the same assessment neighborhood code as the subject and each of which is within .39 of a mile from the subject. The parcels range in size from 9,989 to 13,518 square feet of land area which are improved with two-story dwellings of frame with brick trim exterior construction. The homes were built between 1990 and 1993 and each contains 2,492 square feet of living area. Each comparable has an

unfinished full basement, central air conditioning, one fireplace and a garage containing either 462 or 500 square feet of building area. The comparables sold from April 2018 to June 2019 for prices ranging from \$419,000 to \$455,000 or from \$168.14 to \$182.58 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced total assessment of \$145,352, which would reflect a market value of \$436,100 or \$175.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$150,527. The subject's assessment reflects a market value of \$457,668 or \$183.65 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales, where board of review comparable #5 is the same property as appellant's comparable #5. The comparables are located in the same assessment neighborhood code as the subject and are within .39 of a mile from the subject. The parcels range in size from 9,933 to 12,715 square feet of land area which are improved with two-story dwellings of frame with brick trim exterior construction. The homes were built in either 1991 or 1993 and each contains 2,492 square feet of living area. Each comparable has an unfinished full basement, central air conditioning and a garage containing 462 square feet of building area. Four of the comparables each have a fireplace. The comparables sold from April to August 2018 for prices ranging from \$455,000 to \$502,000 or from \$182.58 to \$201.44 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales, one of which was common to both parties, to support their respective positions before the Property Tax Appeal Board. Each of these comparables are highly similar to the subject in location, age, dwelling size, foundation and most features. The comparables sold from April 2018 to June 2019 for prices ranging from \$419,000 to \$502,000 or from \$168.14 to \$201.44 per square foot of living area, including land. The subject's assessment reflects a market value of \$457,668 or \$183.65 per square foot of living area, including land, which is within the range established by the comparable sales in this record presented by both parties. Based on this evidence and after considering adjustments to these comparables for differences such as fireplace amenity and/or garage size when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
