

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donna Williams  
DOCKET NO.: 19-05333.001-R-1  
PARCEL NO.: 15-20-102-023

The parties of record before the Property Tax Appeal Board are Donna Williams, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$38,175  
**IMPR.:** \$161,805  
**TOTAL:** \$199,980

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 3,583 square feet of living area. The dwelling was constructed in 2000. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 672 square foot garage. The property has a 36,155 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within .37 miles from the subject. The comparables have sites that range in size from 11,326 to 18,731 square feet of land area and are improved with two-story dwellings of frame or brick and frame exterior construction that were built from 1995 to 2000. The dwellings range in size from 2,988 to 3,647 square feet of living area. The comparables have basements with three having finished area. Each

comparable has central air conditioning, one fireplace and a garage ranging in size from 639 to 682 square feet of building area. The appellant's evidence disclosed comparable #1 was rehabbed in 2016. The comparables sold from January to December 2018 for prices ranging from \$510,000 to \$618,000 or from \$149.44 to \$176.96 per square foot of living area, including land. The appellant asserted appellant's comparable #3 was an outlier as it was the only comparable that sold over \$600,000. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$199,980. The subject's assessment reflects a market value of \$608,027 or \$169.70 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales. Board of review comparables #2, #3 and #4 are duplicates of appellant's comparables #3, #2, and #1, respectively. The comparables have sites ranging in size from 15,246 to 16,117 square feet of land area and are improved with two-story dwellings of frame exterior construction that were built from 1995 to 2000. The dwellings range in size from 3,430 to 3,647 square feet of living area and have basements with three having finished area. Each comparable features central air conditioning, one or two fireplaces, and a garage ranging in size from 651 to 682 square feet of building area. The comparables sold from June to December 2018 for prices ranging from \$520,000 to \$655,000 or from \$149.44 to \$182.45 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, three of which are common to both parties. The Board gives less weight to appellant's comparables #4 and #5 due to their smaller dwelling sizes when compared to the subject.

The Board finds the best evidence of the subject's market value to be the parties' remaining comparables which includes the three common comparables. These comparables are overall more similar to the subject in location, age, dwelling size and most features. However, all comparables have smaller site sizes than the subject. The comparables sold from January to December 2018 for prices ranging from \$520,000 to \$655,000 or from \$149.44 to \$182.45 per square foot of living area, including land. The subject's assessment reflects a market value of \$608,027 or \$169.70 per square foot of living area, including land, which is within the range established by the best comparables in the record. Based on this evidence and after considering

adjustments to the best comparable sales for differences when compared to the subject, the Board finds the appellant failed to prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
