

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Erwin Borowsky  
DOCKET NO.: 19-05349.001-R-1  
PARCEL NO.: 15-17-401-003

The parties of record before the Property Tax Appeal Board are Erwin Borowsky, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$50,127  
**IMPR.:** \$153,186  
**TOTAL:** \$203,313

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,895 square feet of living area. The dwelling was constructed in 1988 and has an effective age of 1991. Features of the home include a basement that is finished with a recreation room, central air conditioning, one fireplace, and a 405 square foot garage. The property has a 12,995 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .61 miles from the subject. The comparables have sites that range in size from 13,815 to 44,297 square feet of land area and are improved with two-story dwellings of frame exterior construction that were built from 1988 to 1991. The dwellings have 3,378 or 3,453 square feet of living area and have

basements with finished area.<sup>1</sup> Each comparable has central air conditioning, one fireplace and a garage with 405 or 672 square feet of building area. The appellant noted comparables #1 and #4 are recent rehabs that overlook Arboretum Golf Course with comparable #4 being an outlier. The comparables sold from February 2018 to March 2019 for prices ranging from \$490,000 to \$615,000 or from \$145.06 to \$178.11 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$203,313. The subject's assessment reflects a market value of \$618,161 or \$158.71 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .61 miles from the subject.<sup>2</sup> Board of review comparables #1, #3 and #4 are duplicates of appellant's comparables #4, #2 and #3, respectively. The comparables have sites ranging in size from 13,810 to 44,300 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that were built in 1989 or 1991. Each dwelling has 3,378 or 3,453 square feet of living area and a basement with two have a recreation room. Other features of each comparable include central air conditioning, one fireplace, and a garage with 405 or 672 square feet of building area. The comparables sold from February to July 2018 for prices ranging from \$545,000 to \$620,000 or from \$161.34 to \$179.55 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five suggested comparable sales for the Board's consideration, three of which are common to both parties. The Board gives less weight to appellant's comparable #2/board of review comparable #3 due to its considerably larger site when compared to the subject.

The Board finds the best evidence of the subject's market value to be the parties' remaining comparables which includes two common comparables. These comparables are similar to the subject in location, age, site size, dwelling size and some features. The comparables sold from February 2018 to March 2019 for prices ranging from \$490,000 to \$620,000 or from \$145.06 to

<sup>1</sup> The appellant submitted a Multiple Listing Service sheet for comparable sale #4 that disclosed it has finished basement area.

<sup>2</sup> Board of review comparable sale #1 is the same as board of review comparable sale #5.

\$179.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$618,161 or \$158.71 per square foot of living area, including land, which is within the range established by the best comparables in the record. Based on this evidence and after considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the appellant failed to prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
