

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Evgueni Fayn  
DOCKET NO.: 19-05355.001-R-1  
PARCEL NO.: 15-17-201-060

The parties of record before the Property Tax Appeal Board are Evgueni Fayn, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$53,677  
**IMPR.:** \$348,095  
**TOTAL:** \$401,772

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 7,607 square feet of living area. The dwelling was constructed in 2001. Features of the home include a full partially finished basement, central air conditioning, two fireplaces, an attached 739 square foot garage, a detached 356 square foot garage and a 913 square foot inground swimming pool. The property has a 68,021 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .34 of a mile to 3.71 miles from the subject. The comparables have sites ranging in size from 41,114 to 130,680 square feet of land area that are improved with two-story dwellings of frame or brick construction containing from 6,068 to 7,880 square feet of living area. The homes were built

between 1991 and 2004. Each of the comparables has a full basement, one of which is unfinished and three being partially finished, with one of these having a walk out feature. Other features include central air conditioning, one, five or six fireplaces and an attached garage ranging in size from 776 to 1,542 square feet of building area. The comparables sold from March 2018 to August 2019 for prices ranging from \$925,000 to \$1,315,000 or from \$138.20 to \$183.58 per square foot of living area, including land. Based on this evidence the appellant requested that the subject's assessment be reduced to \$380,312.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$401,772. The subject's assessment reflects a market value of \$1,221,563 or \$160.58 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from 1.85 to 3.76 miles from the subject. The board of review's comparables #1 and #2 are the same properties as the appellant's comparables #3 and #4. The comparables have sites ranging in size from 41,114 to 130,680 square feet of land area that are improved with two-story dwellings of frame, brick or brick and frame construction containing from 5,797 to 7,163 square feet of living area. The homes were built between 1994 and 2005. Each of the comparables has a full or partial basement, one of which is unfinished and three being partially finished. Other features include central air conditioning, from two to six fireplaces and an attached garage ranging in size from 870 to 1,228 square feet of building area. Comparable #3 also has a 131 square foot gazebo and comparable #4 has a 956 square foot inground swimming pool. The comparables sold from March 2018 to March 2019 for prices ranging from \$900,000 to \$1,315,000 or from \$150.48 to \$221.67 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration. The Board finds all of the comparables are relatively similar to the subject in location, style, age, size and some features. However, all of the comparables lack an additional detached garage and only the board of review's comparable #4 has an inground swimming pool, like the subject. Nevertheless, the parties' comparables sold for prices ranging from \$900,000 to \$1,315,000 or from \$145.94 to \$221.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,221,563 or \$160.58 per square foot of living area, including land, which is within the range established by the comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
