

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Adams
DOCKET NO.: 19-05359.001-R-1
PARCEL NO.: 15-16-313-019

The parties of record before the Property Tax Appeal Board are Chris Adams, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,088
IMPR.: \$128,228
TOTAL: \$173,316

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,774 square feet of living area. The dwelling was constructed in 1991. Features of the home include a partial basement that is partially finished, central air conditioning and an attached 460 square foot garage. The property has a 15,320 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales that are located from .05 to .90 of a mile from the subject. The comparables have sites ranging in size from 8,852 to 18,257 square feet of land area that are improved with two-story dwellings of frame, brick and frame or frame and brick construction containing from 2,322 to 2,794 square feet of living area. The homes were built from 1988 to 1991 and have partial basements, five of which have finished area. Each of

the comparables has central air conditioning, five comparables each have a fireplace and each comparable has an attached garage ranging in size from 420 to 462 square feet of building area. The comparables sold from July 2018 to July 2019 for prices ranging from \$430,000 to \$517,500 or from \$164.02 to \$190.59 per square foot of living area, including land. Based on this evidence the appellant requested that the subject's assessment be reduced to \$159,027.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$173,316. The subject's assessment reflects a market value of \$526,957 or \$189.96 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are from .05 to .92 of a mile from the subject. The board of review's comparables #2, #3, #4 and #5 are the same properties as the appellant's comparables #2, #3, #4 and #5. The comparables have sites ranging in size from 8,750 to 18,260 square feet of land area that are improved with two-story dwellings with brick or wood siding containing from 2,322 to 2,794 square feet of living area. The homes were built from 1988 to 1991 and have full or partial basements, four of which have finished area. Each of the comparables has central air conditioning, a fireplace and an attached garage ranging in size from 420 to 462 square feet of building area. The comparables sold from July 2018 to July 2019 for prices ranging from \$430,000 to \$557,500 or from \$185.19 to \$212.30 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, four of which were submitted by both parties. The Board finds all of the comparables are relatively similar to the subject in location, style, age, size and features. All of the parties' comparables also sold proximate in time to the assessment date at issue. The parties' comparables sold from July 2018 to July 2019 for prices ranging from \$430,000 to \$557,500 or from \$164.02 to \$212.30 per square foot of living area, including land. The subject's assessment reflects a market value of \$526,957 or \$189.96 per square foot of living area, including land, which is within the range established by the comparable sales in this record. After considering adjustments to the parties' comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
