

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Schultz  
DOCKET NO.: 19-05361.001-R-1  
PARCEL NO.: 15-16-304-044

The parties of record before the Property Tax Appeal Board are Mike Schultz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$50,772  
**IMPR.:** \$148,229  
**TOTAL:** \$199,001

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 3,453 square feet of living area. The dwelling was constructed in 1992. Features of the home include a full partially finished basement, central air conditioning, a fireplace and an attached 672 square foot garage. The property has an 18,415 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .34 to .64 of a mile from the subject. The comparables have sites ranging in size from 13,815 to 44,297 square feet of land area that are improved with two-story dwellings of frame construction containing 3,378 or 3,453 square feet of living area. The homes were built from 1988 to 1991 and have full or partial basements, three of which have finished area. Each of the comparables has central air

conditioning, a fireplace and an attached garage containing 405 or 672 square feet of building area. The comparables sold from February 2018 to March 2019 for prices ranging from \$490,000 to \$615,000 or from \$145.06 to \$178.11 per square foot of living area, including land.

Based on this evidence the appellant requested that the subject's assessment be reduced to \$184,142.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$199,001. The subject's assessment reflects a market value of \$605,050 or \$175.22 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .20 to .69 of a mile from the subject. The board of review's comparables #2, #4 and #5 are the same properties as the appellant's comparables #4, #3 and #2, respectively. The comparables have sites ranging in size from 10,010 to 44,300 square feet of land area that are improved with two-story dwellings with wood siding containing 3,378 or 3,453 square feet of living area. The homes were built from 1988 to 1991 and have full basements, three of which have finished area. Each of the comparables has central air conditioning, a fireplace and an attached garage containing 405 or 672 square feet of building area. The comparables sold from February to July 2018 for prices ranging from \$545,000 to \$620,000 or from \$161.34 to \$183.54 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration, three of which were submitted by both parties. The Board finds all of the comparables are relatively similar to the subject in location, style, age, size and features. All of the parties' comparables also sold proximate in time to the assessment date at issue. The parties' comparables sold from February to July 2018 for prices ranging from \$490,000 to \$620,000 or from \$145.06 to \$183.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$605,050 or \$175.22 per square foot of living area, including land, which is within the range established by the comparable sales in this record. After considering adjustments to the parties' comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
