

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deborah Goldsholl
DOCKET NO.: 19-05374.001-R-1
PARCEL NO.: 15-14-205-001

The parties of record before the Property Tax Appeal Board are Deborah Goldsholl, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$67,007
IMPR.: \$152,844
TOTAL: \$219,851

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 3,068 square feet of living area. The dwelling was constructed in 1987. Features of the home include a partially finished basement, central air conditioning, a fireplace and an attached 1,343 square foot garage. The property has a 22,460 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .24 to .58 of a mile from the subject. The comparables have sites ranging in size from 20,088 to 21,932 square feet of land area that are improved with two-story dwellings of frame, brick or brick and frame construction containing from 2,956 to 3,357 square feet of living area. The homes were built from 1979 to 1986 and have basements, four of which have finished area. Each of the

comparables has central air conditioning, a fireplace and an attached garage ranging in size from 504 to 825 square feet of building area. The comparables sold from July 2018 to June 2019 for prices ranging from \$525,500 to \$684,000 or from \$164.94 to \$208.09 per square foot of living area, including land. Based on this evidence the appellant requested that the subject's assessment be reduced to \$196,332.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$219,851. The subject's assessment reflects a market value of \$668,443 or \$217.88 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .18 to .43 of a mile from the subject. The board of review's comparables #1, #3 and #4 are the same properties as the appellant's comparables #4, #5 and #4, respectively.¹ The comparables have sites ranging in size from 20,170 to 25,630 square feet of land area that are improved with two-story dwellings with brick or wood siding and brick exterior construction containing from 3,138 to 3,287 square feet of living area. The homes were built from 1979 to 1987 and have basements, each of which has finished area. Each of the comparables has central air conditioning, a fireplace and an attached garage ranging in size from 483 to 713 square feet of building area. The comparables sold from July 2018 to June 2019 for prices ranging from \$680,000 to \$790,000 or from \$208.08 to \$251.75 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration, two of which were submitted by both parties. The Board gives less weight to the appellant's comparable #1 due to its lack of finished basement area, unlike the subject. The Board finds the parties' remaining comparables are similar to the subject in location, style, age, size and features. The best comparables sold from July 2018 to June 2019 for prices ranging from \$555,000 to \$790,000 or from \$184.69 to \$251.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$668,443 or \$217.88 per square foot of living area, including land, which is within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

¹ The board of review submitted the same property for their comparable #1 and #4.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
