

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Samuel Conforti
DOCKET NO.: 19-05387.001-R-1
PARCEL NO.: 15-23-204-009

The parties of record before the Property Tax Appeal Board are Samuel Conforti, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$64,399
IMPR.: \$116,329
TOTAL: \$180,728

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and brick construction with 2,531 square feet of living area. The dwelling was constructed in 1974. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 840 square foot garage. The property has a 23,958 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on seven comparable sales that are located from .45 to .67 of a mile from the subject. The comparables have sites ranging in size from 19,602 to 22,651 square feet of land area that are improved with 2-story dwellings of frame or brick and frame construction containing from 2,556 to 2,768 square feet of living area. The homes were built from 1965 to 1972 with the home built in 1972 having a 1975 effective age. Each of the

comparables has central air conditioning, one or two fireplaces and an attached garage ranging in size from 462 to 575 square feet of building area. The comparables sold from October 2018 to July 2019 for prices ranging from \$366,500 to \$605,000 or from \$142.05 to \$235.87 per square foot of living area, including land. Based on this evidence the appellant requested that the subject's assessment be reduced to \$153,532.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$180,728. The subject's assessment reflects a market value of \$549,492 or \$217.10 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .35 to .65 of a mile from the subject. The board of review's comparable #2 is the same property as the appellant's comparable #2. The comparables have sites ranging in size from 20,038 to 42,689 square feet of land area that are improved with split-level and 2-story dwellings of frame or brick and frame construction containing from 2,565 to 2,608 square feet of living area. The homes were built in 1964 or 1969. One of the comparables has a finished lower level and the other two have basements, one of which has finished area. Each comparable has central air conditioning, one or two fireplaces and an attached garage ranging in size from 484 to 1,104 square feet of building area. The comparables sold from July 2018 to March 2019 for prices ranging from \$555,000 to \$650,000 or from \$212.81 to \$249.42 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1, as well as the board of review's comparable #1, due to their dissimilar split-level style and/or their older age when compared to the subject. In addition, the board of review's comparable #1 has a significantly larger site when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, are similar to the subject in location, style, age, size and features. The best comparables sold from July 2018 to July 2019 for prices ranging from \$430,000 to \$605,000 or from \$168.23 to \$235.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$549,492 or \$217.10 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
