

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ravi Seeralan
DOCKET NO.: 19-05409.001-R-1
PARCEL NO.: 15-21-403-025

The parties of record before the Property Tax Appeal Board are Ravi Seeralan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,859
IMPR.: \$196,772
TOTAL: \$227,631

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 3,778 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning, two fireplaces, a 48 square foot balcony and an attached 668 square foot garage. The property has a 12,820 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .39 to .58 of a mile from the subject. The comparables have sites ranging in size from 11,761 to 17,860 square feet of land area that are improved with two-story dwellings of frame construction containing from 3,155 to 3,851 square feet of living area. The homes were built from 1996 to 2000 and have basements, three of which have finished area. Each of the comparables has central air

conditioning, four comparables each have a fireplace and each comparable has an attached garage ranging in size from 506 to 748 square feet of building area. The comparables sold from May 2018 to August 2019 for prices ranging from \$535,000 to \$656,000 or from \$144.38 to \$184.15 per square foot of living area, including land. Based on this evidence the appellant requested that the subject's assessment be reduced to \$191,400.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$227,631. The subject's assessment reflects a market value of \$692,098 or \$183.19 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .33 to .58 of a mile from the subject. The board of review's comparable #1 is the same property as the appellant's comparable #4. The comparables have sites ranging in size from 10,020 to 13,070 square feet of land area that are improved with two-story dwellings with wood siding exterior construction containing from 3,152 to 3,757 square feet of living area. The homes were built in 1996 or 1997 and have unfinished basements. Each of the comparables has central air conditioning, a fireplace and an attached garage ranging in size from 691 to 748 square feet of building area. The comparables sold from April 2018 to August 2019 for prices ranging from \$615,000 to \$692,000 or from \$163.69 to \$219.54 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #5, as well as the board of review's comparable #2, due to their significantly smaller size when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, are similar to the subject in location, style, size and some features. However, each of the best comparables is older than the subject and each lack a 48 square foot balcony, unlike the subject. Nevertheless, the best comparables sold for prices ranging from \$535,000 to \$656,000 or from \$144.38 to \$181.61 per square foot of living area, including land. The subject's assessment reflects a market value of \$692,098 or \$183.19 per square foot of living area, including land, which is above the range established by the best comparable sales in the record. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their older age, the Board finds the subject's higher estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
