

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Hentschel
DOCKET NO.: 19-05435.001-R-1
PARCEL NO.: 15-13-305-011

The parties of record before the Property Tax Appeal Board are Jennifer Hentschel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,279
IMPR.: \$110,062
TOTAL: \$179,341

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 2,677 square feet of living area. The dwelling was constructed in 1972. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 528 square foot garage. The property has a 20,470 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on twelve comparable sales that are located from .14 of a mile to 1.03 miles from the subject. The comparables have sites ranging in size from 19,602 to 33,977 square feet of land area that are improved with two-story dwellings of frame, brick or brick and frame construction containing from 2,616 to 2,952 square feet of living area. The homes were built from 1966 to 1978, with the home built in 1966 having a 1971 effective age. The

comparables have basements, ten of which have finished area, central air conditioning, one or two fireplaces and an attached garage ranging in size from 456 to 713 square feet of building area. The comparables sold from March 2018 to March 2019 for prices ranging from \$413,000 to \$612,000 or from \$143.25 to \$221.58 per square foot of living area, including land. Based on this evidence the appellant requested that the subject's assessment be reduced to \$164,173.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$179,341. The subject's assessment reflects a market value of \$545,275 or \$203.69 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .42 to .97 of a mile from the subject. The board of review's comparables #1 and #2 are the same properties as the appellant's comparables #12 and #11, respectively. The comparables have sites ranging in size from 15,250 to 22,650 square feet of land area that are improved with two-story dwellings with brick or brick and wood siding exterior construction containing from 2,565 to 2,844 square feet of living area. The homes were built from 1969 to 1977. The comparables have basements, two of which have finished area, central air conditioning, one or two fireplaces and an attached garage ranging in size from 484 to 552 square feet of building area. The comparables sold from June 2018 to March 2019 for prices ranging from \$590,000 to \$612,000 or from \$207.45 to \$235.87 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of fourteen comparable sales for the Board's consideration. The Board finds all of the parties' comparables, are similar to the subject in location, style, age, size and features. However, eleven of the parties' best comparables, which includes one of the parties' common comparables, have finished basement area, unlike the subject's unfinished basement. Nevertheless, the comparables sold from March 2018 to March 2019 for prices ranging from \$413,000 to \$612,000 or from \$143.25 to \$235.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$545,275 or \$203.69 per square foot of living area, including land, which falls within the range established by the parties' comparable sales. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
