

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Douglas Schue Jr.  
DOCKET NO.: 19-05484.001-R-1  
PARCEL NO.: 15-06-305-035

The parties of record before the Property Tax Appeal Board are Douglas Schue Jr., the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$31,379  
**IMPR.:** \$213,234  
**TOTAL:** \$244,613

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick construction with 4,187 square feet of living area. The dwelling was constructed in 2015. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 875 square foot garage. The property has a 13,590 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .20 to .37 of a mile from the subject and within the same neighborhood code as the subject. The comparables have sites ranging in size from 12,576 to 14,677 square feet of land area that are improved with two-story dwellings of frame or brick construction containing from 3,557 to 4,468 square feet of living area. The homes were built from 2006 to 2012. The comparables have basements, one of

which has finished area, central air conditioning, one or two fireplaces and an attached garage ranging in size from 782 to 900 square feet of building area. The comparables sold from June 2017 to May 2019 for prices ranging from \$600,000 to \$667,000 or from \$141.28 to \$171.21 per square foot of living area, including land. Based on this evidence the appellant requested that the subject's assessment be reduced to \$199,560.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$244,613. The subject's assessment reflects a market value of \$743,731 or \$177.63 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .30 to .38 of a mile from the subject and within the same neighborhood code as the subject. The comparables have sites ranging in size from 11,630 to 18,040 square feet of land area that are improved with two-story dwellings of brick or brick and stone construction containing from 3,650 to 4,714 square feet of living area. The homes were built from 2006 to 2018. The comparables have basements, two of which have finished area, central air conditioning, one or three fireplaces and an attached garage ranging in size from 713 to 936 square feet of building area. The comparables sold from January to December 2018 for prices ranging from \$750,000 to \$945,000 or from \$200.47 to \$232.88 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #3 due to its sale date occurring greater than 18 months prior to the January 1, 2019 assessment date at issue. The Board finds the parties' remaining comparables are similar to the subject in location, style and some features. However, the parties' best comparables are considerably older than the subject and/or differ considerably in size, when compared to the subject. Nevertheless, the best comparables sold from January 2018 to May 2019 for prices ranging from \$600,000 to \$945,000 or from \$141.28 to \$232.88 per square foot of living area, including land. The subject's assessment reflects a market value of \$743,731 or \$177.63 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
