

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Tabaczyk
DOCKET NO.: 19-05517.001-R-1
PARCEL NO.: 15-05-208-062

The parties of record before the Property Tax Appeal Board are Edward Tabaczyk, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,875
IMPR.: \$66,004
TOTAL: \$105,879

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story townhome of brick construction with 2,087 square feet of living area. The dwelling was constructed in 2011. Features of the home include a slab foundation, central air conditioning and an attached 420 square foot garage. The property has a 1,290 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on twelve comparable sales that are located from next door to .09 of a mile from the subject and within the same neighborhood code as the subject. The comparables have sites ranging in size from 1,268 to 2,304 square feet of land area that are improved with three-story townhomes of brick or frame and brick construction containing from 2,037 to 2,217 square feet of living area. The homes were built from 2006 to 2013. The comparables have central air conditioning and an attached garage with 420 or 440 square feet of

building area. The comparables sold from December 2017 to August 2019 for prices ranging from \$279,000 to \$325,000 or from \$136.86 to \$150.93 per square foot of living area, including land. Based on this evidence the appellant requested that the subject's assessment be reduced to \$99,470.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,879. The subject's assessment reflects a market value of \$321,919 or \$154.25 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .04 to .12 of a mile from the subject and within the same neighborhood code as the subject. The board of review's comparable #3 is the same property as the appellant's comparable #9. The comparables have sites ranging in size from 1,270 to 1,650 square feet of land area that are improved with three-story townhomes of brick construction containing 2,087 or 2,181 square feet of living area. The homes were built from 2006 to 2013 and have slab foundations. The comparables have central air conditioning and an attached garage with 420 or 440 square feet of building area. The comparables sold from March 2018 to December 2019 for prices ranging from \$323,000 to \$330,000 or from \$148.10 to \$158.12 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of fourteen comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #6 and #12, due to their sale date occurring greater than 12 months prior to the January 1, 2019 assessment date at issue and/or their older age when compared to the subject. The Board also gives less weight to the board of review's comparable #2, due to its older age when compared to the subject. The Board finds the parties' remaining comparables, which includes one common comparable, are more similar to the subject in location, style, age, size and features. These comparables also sold proximate in time to the assessment date at issue. The best comparables sold from March 2018 to August 2019 for prices ranging from \$279,000 to \$325,000 or from \$136.86 to \$155.73 per square foot of living area, including land. The subject's assessment reflects a market value of \$321,919 or \$154.25 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
