

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nicole Ziomek
DOCKET NO.: 19-05536.001-R-1
PARCEL NO.: 14-35-201-009

The parties of record before the Property Tax Appeal Board are Nicole Ziomek, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$66,880
IMPR.: \$204,273
TOTAL: \$271,153

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with brick exterior construction containing 4,551 square feet of living area. The dwelling was constructed in 2016. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 1,153 square foot garage. The property has a 102,810 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .69 of a mile to 1.49 miles from the subject and within the same neighborhood code as the subject. The comparables have sites ranging in size from 60,984 to 585,415 square feet of land area that are improved with two-story dwellings with brick exterior construction containing from 4,831 to 5,459 square feet of living area. The homes were built in 2001 or 2008. The comparables have

unfinished basements, central air conditioning, two or four fireplaces and an attached garage ranging in size from 820 to 1,152 square feet of building area. Comparable #1 also has a detached 716 square foot garage and a swimming pool. The comparables sold from June 2018 to April 2019 for prices ranging from \$800,000 to \$920,000 or from \$152.96 to \$173.88 per square foot of living area, including land. Based on this evidence the appellant requested that the subject's assessment be reduced to \$250,280.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$271,153. The subject's assessment reflects a market value of \$824,424 or \$181.15 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .90 of a mile to 1.49 miles from the subject and within the same neighborhood code as the subject. The board of review's comparables #2 and #3 are the same properties as the appellant's comparables #3 and #2. The comparables have sites ranging in size from 60,980 to 203,430 square feet of land area that are improved with two-story dwellings with brick or concrete block exterior construction containing from 4,422 to 5,459 square feet of living area. The homes were built from 2001 to 2008. The comparables have unfinished basements, one of which is a walkout, central air conditioning, one, two or four fireplaces and an attached garage ranging in size from 902 to 1,152 square feet of building area. The comparables sold from June 2018 to November 2019 for prices ranging from \$840,000 to \$920,000 or from \$168.53 to \$195.61 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of four comparable sales for the Board's consideration, two of which were submitted by both parties. The Board finds the parties' comparables, which includes the two common comparables, are similar to the subject in location and some features. However, each of the parties' comparables is older than the subject and two comparables are significantly larger than the subject. Nevertheless, the parties' comparables sold from June 2018 to November 2019 for prices ranging from \$800,000 to \$920,000 or from \$152.96 to \$195.61 per square foot of living area, including land. The subject's assessment reflects a market value of \$824,424 or \$181.15 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. After considering adjustments to the parties' comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
