

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Erica McClain  
DOCKET NO.: 19-05552.001-R-1  
PARCEL NO.: 01-33-405-017

The parties of record before the Property Tax Appeal Board are Erica McClain, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,850  
**IMPR.:** \$43,452  
**TOTAL:** \$55,302

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling with wood siding exterior construction containing 816 square feet of living area. The dwelling was constructed in 1950 but has a 1979 effective age. Features of the home include an unfinished basement, central air conditioning and an attached 672 square foot garage. The property has a 10,890 square foot site and is located in Spring Grove, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from 1.15 to 4.09 miles from the subject. The comparables have sites ranging in size from 7,100 to 8,500 square feet of land area that are improved with one-story dwellings of wood siding exterior construction containing from 900 to 1,044 square feet of living area. The dwellings were built from 1950 to 1973 with the home built 1950 having a 1991 effective age. Two of the comparables have

unfinished basements and one comparable has a finished lower level. Two comparables have central air conditioning, two comparables each have a fireplace and one comparable has an attached 880 square foot garage. The comparables sold in May and October 2017 for prices ranging from \$132,500 to \$170,000 or from \$138.02 to \$166.11 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$55,302. The subject's assessment reflects a market value of \$168,142 or \$206.06 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .10 of a mile to 3.33 miles from the subject. The comparables have sites ranging in size from 9,150 to 18,920 square feet of land area that are improved with one-story dwellings of wood siding exterior construction containing from 676 to 1,152 square feet of living area. The homes were built in 1957 or 1969. Two of the comparables have unfinished basements and one comparable has a slab foundation. One comparable has central air conditioning, one comparable has a fireplace and one comparable has a 462 square foot detached garage. The comparables sold from June 2018 to May 2019 for prices ranging from \$155,000 to \$225,000 or from \$195.31 to \$229.29 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables due to their sale dates occurring greater than 14 months prior to the January 1, 2019 assessment date at issue. The Board finds the board of review's comparables are similar to the subject in location, style, age, size and some features. These comparable sales also occurred proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold from June 2018 to May 2019 for prices ranging from \$155,000 to \$225,000 or from \$195.31 to \$229.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$168,142 or \$206.06 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
