

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diedrich Bork
DOCKET NO.: 19-05558.001-R-1
PARCEL NO.: 01-34-122-009

The parties of record before the Property Tax Appeal Board are Diedrich Bork, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,280
IMPR.: \$116,125
TOTAL: \$138,405

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with wood siding exterior construction containing 3,042 square feet of living area. The dwelling was constructed in 1992. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 890 square foot garage. The property has a 25,740 square foot site and is located in Fox Lake, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .23 of a mile to 1.27 miles from the subject. The comparables have sites ranging in size from 23,120 to 54,450 square feet of land area that are improved with 1.5-story or 2-story dwellings of wood siding exterior construction containing from 2,386 to 4,613 square feet of living area. The dwellings were built from 1998 to 2006 and have basements, one of which has finished area. The

comparables have central air conditioning and an attached garage ranging in size from 600 to 782 square feet of building area. One comparable also has a 400 square foot detached garage and three comparables each have a fireplace. The comparables sold from May 2017 to May 2019 for prices ranging from \$270,000 to \$331,000 or from \$71.75 to \$120.53 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,405. The subject's assessment reflects a market value of \$420,812 or \$138.33 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .03 of a mile to 1.32 miles from the subject. The comparables have sites ranging in size from 11,170 to 45,740 square feet of land area that are improved with 1.5-story or 2-story dwellings of wood siding exterior construction containing from 2,078 to 3,198 square feet of living area. The dwellings were built from 1989 to 1998. The comparables have basements, each of which with finished area and two with a walkout. The comparables have central air conditioning, one or two fireplaces and an attached garage ranging in size from 528 to 795 square feet of building area. The comparables sold in March and June 2019 for prices ranging from \$310,000 to \$552,500 or from \$149.18 to \$179.68 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #4 and #5, as well as the board of review's comparable #1, due to their difference in size and/or their sale date occurring greater than 18 months prior to the January 1, 2019 assessment date at issue. The Board finds the parties' remaining comparables are similar to the subject in location, style, age, size and features. These comparable sales also occurred proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold from March to June 2019 for prices ranging from \$282,500 to \$552,500 or from \$97.11 to \$179.68 per square foot of living area, including land. The subject's assessment reflects a market value of \$420,812 or \$138.33 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
