

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Lou Cook
DOCKET NO.: 19-05585.001-R-1
PARCEL NO.: 01-13-201-008

The parties of record before the Property Tax Appeal Board are Mary Lou Cook, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$86,200
IMPR.: \$94,692
TOTAL: \$180,892

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with wood siding exterior construction containing 2,456 square feet of living area. The dwelling was constructed in 1971. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a detached 1,600 square foot garage. The property has a 44,000 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales that are located from .14 of a mile to 4.59 miles from the subject. The comparables have sites ranging in size from 23,520 to 57,590 square feet of land area that are improved with 1-story, 1.5-story and 2-story dwellings of brick or wood siding exterior construction containing from 1,947 to 3,360 square feet of living area. The homes were built from 1960 to 1998, with the two oldest built in 1960 and 1970 having

1990 and 1992 effective ages, respectively. The comparables have full or partial basements, three of which have finished area and two with a walkout. The comparables have central air conditioning, a fireplace and a garage ranging in size from 506 to 795 square feet of building area. Comparable #1 also has a swimming pool. The comparables sold from July 2018 to July 2019 for prices ranging from \$425,000 to \$580,000 or from \$165.97 to \$233.69 per square foot of living area, including land. The appellant's submission included a brief noting superior features of the appellant's comparables #1, #2, #3 and #5, when compared to the subject.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$180,892. The subject's assessment reflects a market value of \$549,991 or \$223.94 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The board of review's comparables #1, #2, #3 and #4 are the same properties as the appellant's comparables #5, #1, #6 and #2, respectively. The board of review's sales grid disclosed that the subject was purchased in June 2020 for \$600,000 or \$244.30 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration, four of which were submitted by both parties. The Board gives less weight to the appellant's comparables #2 and #4, which includes the board of review's comparable #4, due to their significantly larger size when compared to the subject. The Board finds the parties' remaining comparables, which includes three common comparables have varying degrees of similarity to the subject. The best comparables sold from July 2018 to July 2019 for prices ranging from \$425,000 to \$580,000 or from \$177.82 to \$233.69 per square foot of living area, including land. The subject's assessment reflects a market value of \$549,991 or \$223.94 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's market value as reflected by its assessment is supported. As a final point, the Board finds the subject's undisputed June 2020 purchase price of \$600,000 also undermines the appellant's overvaluation argument. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
