

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shari Precht
DOCKET NO.: 19-05587.001-R-1
PARCEL NO.: 02-11-304-023

The parties of record before the Property Tax Appeal Board are Shari Precht, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,326
IMPR.: \$64,584
TOTAL: \$75,910

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with wood siding exterior construction containing 2,128 square feet of living area. The dwelling was constructed in 2007. Features of the home include a full unfinished basement, central air conditioning, a fireplace and an attached 462 square foot garage. The property has a 16,860 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable properties that are located from .07 to .67 of a mile from the subject. The comparables have sites ranging in size from 6,600 to 12,750 square feet of land area that are improved with two-story dwellings with wood siding exterior construction containing from 1,956 to 2,269 square feet of living area. The dwellings were built from 2004 to 2010. The comparables have full basements, two of which with finished area,

central air conditioning and an attached garage ranging in size from 400 to 680 square feet of building area. Three comparables each have a fireplace. Seven comparables sold from May 2018 to February 2019 for prices ranging from \$170,000 to \$220,000 or from \$76.85 to \$101.86 per square foot of living area, including land. The appellant submitted a brief arguing three of the appellant's comparables were foreclosure sale properties, which have a negative impact on the subject. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$75,910. The subject's assessment reflects a market value of \$230,800 or \$108.46 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .33 to .46 of a mile from the subject. The comparables have sites ranging in size from 8,120 to 12,260 square feet of land area that are improved with two-story dwellings with wood siding exterior construction containing from 2,152 to 2,266 square feet of living area. The dwellings were built in 2004 or 2005. The comparables have full basements, one of which with finished area, central air conditioning and an attached garage ranging in size from 505 to 670 square feet of building area. One comparable has a fireplace and a swimming pool. The comparables sold from August 2018 to July 2019 for prices of \$231,000 and \$260,000 or from \$107.34 to \$116.91 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eleven comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparable #3 due to the lack of recent sales data, which is required to support an overvaluation argument. The Board also gives less weight to the board of review's comparable #2 due to its superior features, including a swimming pool, when compared to the subject. The Board finds the parties' remaining comparables are similar to the subject in location, style, age size and most features. The best comparables sold from May 2018 to May 2019 for prices ranging from \$170,000 to \$260,000 or from \$76.85 to \$114.74 per square foot of living area, including land. The subject's assessment reflects a market value of \$230,800 or \$108.46 per square foot of living area, including land, which falls within the market values of the best comparable sales in the record. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
