

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Burt Cerone
DOCKET NO.: 19-05590.001-R-1
PARCEL NO.: 02-11-304-030

The parties of record before the Property Tax Appeal Board are Burt Cerone, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,892
IMPR.: \$75,318
TOTAL: \$86,210

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with wood siding exterior construction containing 2,821 square feet of living area. The dwelling was constructed in 2006. Features of the home include a full unfinished basement, central air conditioning and an attached 460 square foot garage. The property has a 15,420 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable properties that are located from .18 to .53 of a mile from the subject. The comparables have sites ranging in size from 8,120 to 15,250 square feet of land area that are improved with two-story dwellings with wood siding exterior construction containing from 2,585 to 2,972 square feet of living area. The dwellings were built in 2005 or 2006. The comparables have full or partial basements, three of which with finished

area, central air conditioning and an attached garage ranging in size from 440 to 630 square feet of building area. Three comparables each have a fireplace. Five comparables sold from January 2018 to May 2019 for prices ranging from \$199,000 to \$272,500 or from \$75.44 to \$95.55 per square foot of living area, including land. The appellant submitted a brief arguing that several foreclosure sale properties in the subject's neighborhood have had a negative impact on the subject's value. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$86,210. The subject's assessment reflects a market value of \$262,116 or \$92.92 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .13 to .36 of a mile from the subject. The board of review's comparable #4 is the same property as the appellant's comparable #4. The comparables have sites ranging in size from 11,220 to 12,760 square feet of land area that are improved with two-story dwellings with wood siding exterior construction containing from 2,777 to 2,867 square feet of living area. The dwellings were built in 2005 or 2006. The comparables have full basements, one of which with finished area, central air conditioning and an attached garage ranging in size from 440 to 670 square feet of building area. Three comparables each have a fireplace. The comparables sold from April to October 2019 for prices ranging from \$261,000 to \$294,000 or from \$91.04 to \$105.83 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparable #3 due to the lack of recent sales data, which is required to support an overvaluation argument. The Board finds the parties' remaining comparables, which include the parties' common comparable, are similar to the subject in location, style, age size and most features. The best comparables sold from January 2018 to October 2019 for prices ranging from \$199,000 to \$294,000 or from \$75.44 to \$105.83 per square foot of living area, including land. The subject's assessment reflects a market value of \$262,116 or \$92.92 per square foot of living area, including land, which falls within the market values of the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
