

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Bozovich
DOCKET NO.: 19-05592.001-R-1
PARCEL NO.: 02-15-203-014

The parties of record before the Property Tax Appeal Board are John Bozovich, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,258
IMPR.: \$74,061
TOTAL: \$89,319

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with wood siding exterior construction containing 2,418 square feet of living area. The dwelling was constructed in 2005. Features of the home include a full unfinished basement, central air conditioning and an attached 440 square foot garage. The property has a 10,120 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that are located from .19 to .31 of a mile from the subject. The comparables have sites ranging in size from 9,010 to 12,490 square feet of land area that are improved with two-story dwellings with wood siding exterior construction containing from 2,268 to 2,661 square feet of living area. The dwellings were built in 2005 or 2006. The comparables have full basements, one of which with finished area, central

air conditioning and an attached garage ranging in size from 440 to 713 square feet of building area. Three comparables each have a fireplace. Three comparables sold from February 2018 to April 2019 for prices ranging from \$250,000 to \$280,000 or from \$97.20 to \$105.72 per square foot of living area, including land. The appellant submitted a brief arguing the subject's assessment should be more in line with the median recent like-kind, valid sales, and the subject's pie shaped lot leaves very little room in the back yard, which negatively impacts the subject's market value. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$89,319. The subject's assessment reflects a market value of \$271,569 or \$112.31 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .16 to .27 of a mile from the subject. The board of review's comparable #3 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 9,010 to 10,380 square feet of land area that are improved with two-story dwellings with wood siding exterior construction containing from 2,419 to 2,554 square feet of living area. The dwellings were built in 2005. The comparables have full unfinished basements, central air conditioning, a fireplace and an attached garage ranging in size from 440 to 660 square feet of building area. The comparables sold from April 2018 to December 2019 for prices ranging from \$270,000 to \$289,000 or from \$105.72 to \$119.47 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparable #4 due to the lack of recent sales data, which is required to support an overvaluation argument. The Board finds the parties' remaining comparables, which includes the parties' common comparable, are similar to the subject in location, style, age size and most features. The best comparables sold from February 2018 to December 2019 for prices ranging from \$250,000 to \$289,000 or from \$97.20 to \$119.47 per square foot of living area, including land. The subject's assessment reflects a market value of \$271,569 or \$112.31 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
