

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edgar Berzins
DOCKET NO.: 19-05599.001-R-1
PARCEL NO.: 02-17-305-022

The parties of record before the Property Tax Appeal Board are Edgar Berzins, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,724
IMPR.: \$56,412
TOTAL: \$64,136

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,420 square feet of living area. The dwelling was constructed in 1960. Features of the home include a full unfinished basement, central air conditioning, a fireplace, an attached 600 square foot garage and a metal utility shed. The property has an 18,700 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales that are located from .22 to .98 of a mile from the subject. The comparables have sites ranging in size from 10,500 to 40,090 square feet of land area that are improved with 1-story or 1.5-story dwellings with wood siding or brick exterior construction containing from 1,386 to 1,674 square feet of living area. The dwellings were built from 1963 to 1998. The comparables have full or partial basements, three of which

with finished area, and an attached garage ranging in size from 336 to 728 square feet of building area. Five comparables have central air conditioning, three comparables each have a fireplace and one comparable has a metal utility shed. The comparables sold from May 2017 to June 2019 for prices ranging from \$150,000 to \$215,000 or from \$102.53 to \$141.08 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,136. The subject's assessment reflects a market value of \$195,002 or \$137.33 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .10 to .98 of a mile from the subject. The board of review's comparables #2, #3 and #4, are the same properties as the appellant's comparables #4, #6 and #3, respectively. The comparables have sites ranging in size from 16,020 to 40,090 square feet of land area that are improved with 1-story dwellings with wood siding or brick exterior construction containing from 1,374 to 1,674 square feet of living area. The dwellings were built from 1965 to 1998. The comparables have full or partial basements, one of which with finished area, central air conditioning and a garage ranging in size from 400 to 728 square feet of building area. Two comparables each have a fireplace and one comparable has an open frame porch. The comparables sold from July 2018 to June 2019 for prices ranging from \$203,000 to \$215,000 or from \$128.14 to \$147.74 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #5, due to their dissimilar 1.5-story style or their sale date occurring greater than 19 months prior to the January 1, 2019 assessment date at issue. The Board finds the parties' remaining comparables, which includes the parties' common comparables, are similar to the subject in location, style, age size and most features. The best comparables sold from May 2018 to June 2019 for prices ranging from \$150,000 to \$215,000 or from \$102.53 to \$147.74 per square foot of living area, including land. The subject's assessment reflects a market value of \$195,002 or \$137.33 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
