

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Butler
DOCKET NO.: 19-05662.001-R-1
PARCEL NO.: 02-34-404-006

The parties of record before the Property Tax Appeal Board are Mike Butler, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,959
IMPR.: \$68,125
TOTAL: \$78,084

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with wood siding exterior construction containing 1,703 square feet of living area. The dwelling was constructed in 1989. Features of the home include a partially finished full basement, central air conditioning, a fireplace and an attached 750 square foot garage. The property has a 14,380 square foot site and is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .66 of a mile to 2.10 miles from the subject and not within the same neighborhood code as the subject. The comparables have sites ranging in size from 2,610 to 14,810 square feet of land area that are improved with one-story dwellings with wood siding exterior construction containing from 1,488 to 1,956 square feet of living area. The dwellings were built from 1972 to 1998. The

comparables have full basements, two of which have finished area, and two with a walkout. The comparables have central air conditioning, one or two fireplaces and an attached garage ranging in size from 400 to 800 square feet of building area. The comparables sold from March 2018 to April 2019 for prices ranging from \$194,000 to \$230,000 or from \$107.87 to \$142.33 per square foot of living area, including land. The appellant's submission included a brief noting there were no valid, like-kind sales in the subject's assessment neighborhood in 2018 and 2019.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$78,084. The subject's assessment reflects a market value of \$237,410 or \$139.41 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .16 of a mile to 1.97 miles from the subject. One of the comparables is located within the same neighborhood code as the subject. The board of review's comparable #2 is the same property as the appellant's comparable #5. The comparables have sites ranging in size from 9,060 to 14,810 square feet of land area that are improved with one-story dwellings with wood siding exterior construction containing from 1,616 to 1,807 square feet of living area. The dwellings were built from 1994 to 2001. The comparables have full basements, four of which have finished area, and three with a walkout. The comparables have central air conditioning and an attached garage ranging in size from 400 to 800 square feet of building area. Four comparables each have one or two fireplaces. The comparables sold from March 2017 to April 2019 for prices ranging from \$220,000 to \$295,500 or from \$134.44 to \$174.44 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the board of review's comparables #1, #3 and #4, due to their sale dates occurring greater than 15 months prior to the January 1, 2019 assessment date at issue. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. The best comparables sold from March 2018 to April 2019 for prices ranging from \$194,000 to \$270,000 or from \$107.87 to \$149.42 per square foot of living area, including land. The subject's assessment reflects a market value of \$237,410 or \$139.41 per square foot of living

area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
