

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eileen Ziemann
DOCKET NO.: 19-05688.001-R-1
PARCEL NO.: 04-28-126-025

The parties of record before the Property Tax Appeal Board are Eileen Ziemann, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,224
IMPR.: \$16,108
TOTAL: \$20,332

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with wood siding exterior construction containing 720 square feet of living area. The dwelling was constructed in 1959 and has a full unfinished basement. The property has a 6,670 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .53 to .69 of a mile from the subject and within the same neighborhood code as the subject. The comparables have sites ranging in size from 6,920 to 43,440 square feet of land area that are improved with one-story dwellings with wood siding exterior construction containing from 768 to 852 square feet of living area. The dwellings were built from 1940 to 1955 and have full unfinished basements. One of the comparables has a 440 square foot detached garage. The comparables

sold from October 2017 to April 2019 for prices ranging from \$43,000 to \$60,000 or from \$50.47 to \$71.61 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,332. The subject's assessment reflects a market value of \$61,818 or \$85.86 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .74 of a mile to 1.49 miles from the subject. The board of review's comparable #2 is located within the same neighborhood code as the subject. The comparables have sites ranging in size from 7,680 to 19,890 square feet of land area that are improved with one-story dwellings with wood siding, brick or aluminum siding exterior construction containing from 624 to 792 square feet of living area. The dwellings were built from 1950 to 1958. Two of the comparables have full unfinished basements and two comparables have crawl-space foundations. Three comparables have central air conditioning and three comparables have an attached garage ranging in size from 336 to 461 square feet of building area. The comparables sold from March 2018 to November 2019 for prices ranging from \$67,900 to \$88,000 or from \$85.73 to \$117.80 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1 due to its sale date occurring greater than 14 months prior to the January 1, 2019 assessment date at issue. The Board also gives less weight to the board of review's comparables #1, #3 and #4, due to their distant locations ranging from .80 of a mile to 1.49 miles from the subject and not within the same neighborhood code as the subject. In addition, the board of review's comparables #3 and #4 have dissimilar crawl-space foundations, unlike the subject. The Board finds the parties' remaining comparables are similar to the subject in location, style, age, size and some features. The best comparables sold from September 2018 to November 2019 for prices ranging from \$55,000 to \$84,900 or from \$70.75 to \$108.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$61,818 or \$85.86 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
