

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rick Powers  
DOCKET NO.: 19-05706.001-R-1  
PARCEL NO.: 05-09-207-018

The parties of record before the Property Tax Appeal Board are Rick Powers, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,420  
**IMPR.:** \$22,910  
**TOTAL:** \$29,330

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story condominium dwelling with brick exterior construction containing 1,050 square feet of living area. The dwelling was constructed in 1979. Features of the dwelling include a slab foundation and central air conditioning. The property has a 1,632 square foot site and is located in Fox Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located within the same neighborhood code as the subject.<sup>1</sup> The comparables have sites ranging in size from 1,411 to 1,694 square feet of land area that are improved with one-story condominium dwellings with brick exterior construction containing 1,050 square feet of living area. The dwellings were built

<sup>1</sup> The appellant erroneously listed the subject as comparable #1 on the comparable sales grid, therefore, the Board has renumbered the property listed as the subject as the appellant's comparable #1.

in 1976 or 1979 and two of the comparables have central air conditioning. The comparables sold from April 2017 to November 2018 for prices ranging from \$73,500 to \$89,000 or from \$70.00 to \$84.76 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,330. The subject's assessment reflects a market value of \$89,176 or \$84.93 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located within the same neighborhood code as the subject. The board of review's comparable #3 is the same property as the appellant's comparable #4. The comparables are improved with one-story condominium dwellings with brick exterior construction containing 1,050 square feet of living area. The dwellings were built in 1979. Each comparable has a slab foundation and central air conditioning. The comparables sold from February 2018 to November 2019 for prices ranging from \$89,000 to \$102,000 or from \$84.76 to \$97.14 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #1, #2 and #3, due to their sale dates occurring greater than 13 months prior to the January 1, 2019 assessment date at issue and/or their lack of central air conditioning, unlike the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, are similar to the subject in location, style, age, size and features. These comparables also sold proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold from February 2018 to November 2019 for prices ranging from \$89,000 to \$102,000 or from \$84.76 to \$97.14 per square foot of living area, including land. The subject's assessment reflects a market value of \$89,176 or \$84.93 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
