

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Harold Robin
DOCKET NO.: 19-05732.001-R-1
PARCEL NO.: 16-31-208-023

The parties of record before the Property Tax Appeal Board are Harold Robin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,770
IMPR.: \$159,374
TOTAL: \$216,144

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with wood siding and brick exterior construction containing 3,544 square feet of living area. The dwelling was constructed in 1966. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 462 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .11 to .38 of a mile from the subject and within the same neighborhood code as the subject. Four of the comparables have sites ranging in size from 10,000 to 32,900 square feet of land area that are improved with two-story dwellings containing from 2,800 to 3,052 square feet of living area. The dwellings were built from 1965 to 1971, with a home built in 1966 having a 1970 effective

age. The comparables have basements, one of which has finished area, central air conditioning, a fireplace and an attached garage ranging in size from 420 to 528 square feet of building area. One comparable has a concrete pool. The comparables sold from February 2018 to May 2019 for prices ranging from \$465,000 to \$670,000 or from \$162.56 to \$219.74 per square foot of living area, including land. The appellant's submission included a brief noting the differences in features of the appellant's comparables, when compared to the subject. The appellant also submitted Multiple Listing Service (MLS) data for the appellant's comparables #1, #2, #4 and #5. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$216,144. The subject's assessment reflects a market value of \$657,172 or \$185.43 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .08 to .34 of a mile from the subject and within the same neighborhood code as the subject. The board of review's comparables #1 and #2 are the same properties as the appellant's comparables #5 and #4, respectively. The comparables have sites with 10,000 or 32,900 square feet of land are that are improved with two-story dwellings containing from 2,614 to 3,052 square feet of living area. The dwellings were built from 1965 to 1971. The comparables have basements, two of which have finished area, central air conditioning, a fireplace and an attached garage ranging in size from 440 to 528 square feet of building area. One comparable has a concrete pool. The comparables sold from February to June 2018 for prices ranging from \$635,000 to \$670,000 or from \$219.53 to \$242.92 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration, two of which were submitted by both parties. The Board finds the parties' comparables, which includes the parties' common comparables, have varying degrees of similarity to the subject, however, each of the parties' comparables have a significantly smaller dwelling than the subject. Nevertheless, the parties' comparables sold for prices ranging from \$465,000 to \$670,000 or from \$162.56 to \$242.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$657,172 or \$185.43 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
