

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Martin Taylor  
DOCKET NO.: 19-05743.001-R-1  
PARCEL NO.: 16-32-315-024

The parties of record before the Property Tax Appeal Board are Martin Taylor, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$54,361  
**IMPR.:** \$130,786  
**TOTAL:** \$185,147

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 2,508 square feet of living area. The dwelling was constructed in 1969. Features of the home include a partially finished basement, central air conditioning, a fireplace and an attached 483 square foot garage. The property has a 10,720 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales that are located from .03 to .48 of a mile from the subject and within the same neighborhood code as the subject. Eight of the comparables have sites ranging in size from 9,520 to 12,600 square feet of land area that are improved with two-story dwellings containing from 2,247 to 2,888 square feet of living area. The dwellings were built from 1969 to 1975. The comparables have basements, four of which

with finished area, central air conditioning, one or two fireplaces and an attached garage ranging in size from 440 to 530 square feet of building area. The comparables sold from April 2018 to April 2019 for prices ranging from \$450,000 to \$585,000 or from \$171.74 to \$249.35 per square foot of living area, including land. The appellant's submission included a brief arguing seven of the appellant's comparables are over-assessed and the remaining two sales were recent rehabs. The appellant also submitted Multiple Listing Service (MLS) data for the appellant's comparables #4, #7 and #8, which revealed the dwellings have finished basement area. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$185,147. The subject's assessment reflects a market value of \$562,928 or \$224.45 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .15 to .39 of a mile from the subject and within the same neighborhood code as the subject. The board of review's comparables #1, #2, #3 and #4, are the same properties as the appellant's comparables #8, #9, #6 and #3, respectively. The comparables have sites ranging in size from 9,520 to 12,000 square feet of land area that are improved with two-story dwellings containing from 2,318 to 2,888 square feet of living area. The dwellings were built in 1973 or 1974. The comparables have unfinished basements, central air conditioning, a fireplace and an attached garage with 440 or 515 square feet of building area. The comparables sold from October 2018 to April 2019 for prices ranging from \$557,000 to \$585,000 or from \$192.87 to \$249.35 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration, four of which were submitted by both parties. The Board finds all of the parties' comparables, which includes the parties' common comparables, are similar to the subject in location, style, age size and most features. However, the record shows only four of the parties' comparables have finished basement area, like the subject. Nevertheless, the parties' comparables sold from April 2018 to April 2019 for prices ranging from \$450,000 to \$585,000 or from \$171.74 to \$249.35 per square foot of living area, including land. The subject's assessment reflects a market value of \$562,928 or \$224.45 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
