

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ying Zhang
DOCKET NO.: 19-05999.001-R-1
PARCEL NO.: 16-32-312-017

The parties of record before the Property Tax Appeal Board are Ying Zhang, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,667
IMPR.: \$169,011
TOTAL: \$217,678

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,642 square feet of living area. The dwelling was constructed in 1993 and is 26 years old. Features of the home include central air conditioning, a fireplace, and a 638 square foot garage. The property has an approximately 10,080 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal; no dispute was raised concerning the land assessment. In support of this argument the appellant submitted information on three equity comparables improved with two-story homes of brick or wood siding exterior construction ranging in size from 3,074 to 3,592 square feet of living area. The dwellings were built from 1988 to 1995 and are from 24 to 31 years old. The homes each have central air conditioning, a fireplace, and a 440 or 506 square foot garage. The

comparables are located from 0.21 to 0.26 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables have improvement assessments ranging from \$134,820 to \$148,945 or from \$41.47 to \$43.86 per square foot of living area. Based upon this evidence, the appellant requested the subject property's improvement assessment be reduced to \$156,739 or \$43.04 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$217,678. The subject property has an improvement assessment of \$169,011 or \$46.41 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables improved with two-story homes of brick, wood siding, or brick and wood siding exterior construction and ranging in size from 3,481 to 3,848 square feet of living area. The dwellings were built from 1988 to 1995. Four of the comparables each have a basement, two of which have finished area. The homes each have central air conditioning, a fireplace, and a garage ranging in size from 484 to 864 square feet of building area. One of the comparables also has a 624 square foot detached garage. Comparables #1 and #2 each have an inground pool. The comparables are located from 0.07 to 0.45 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables have improvement assessments ranging from \$192,992 to \$225,809 or from \$50.40 to \$60.64 per square foot of living area. Based upon this evidence, the board of review requested confirmation of the subject property's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #3, which has a much smaller home than the subject dwelling. The Board gives less weight to the board of review's comparables #1 through #4, which each have a basement foundation compared to the subject's slab foundation. Furthermore, the board of review's comparables #1 and #2 each have an inground pool which is not a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 and the board of review's comparable #5, which are similar to the subject in dwelling size, age, location, and most features. These comparables have improvement assessments that range from \$147,457 to \$191,686 or from \$41.47 to \$50.40 per square foot of living area. The subject's improvement assessment of \$169,011 or \$46.41 per square foot of living area falls

within the range established by the best comparables in this record. Based on this record, and after considering appropriate adjustments to the best comparables for differences, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
