

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Linda Lazar
DOCKET NO.: 19-06047.001-R-1
PARCEL NO.: 16-35-303-002

The parties of record before the Property Tax Appeal Board are Linda Lazar, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,684
IMPR.: \$106,858
TOTAL: \$155,542

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of brick and wood siding exterior construction with 1,909 square feet of above ground living area. The dwelling was built in 1964 and is 55 years old. Features of the home include a finished lower level, central air conditioning, one fireplace and a 440 square foot attached garage. The property has a 19,685 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables are improved with tri-level dwellings of brick or wood siding exterior construction ranging in size from 2,049 to 2,692 square feet of above ground living area. The dwellings are 57 or 64 years old. Each comparable is reported to have a lower level or a full basement with three having

finished area and central air conditioning. Two comparables each have one or two fireplaces. Three comparable are reported to have attached garages ranging in size from 437 to 900 square feet of building area. The appellant's grid analysis for board of review comparable #3 indicates None/462 in the garage section. The comparables have improvement assessments ranging from \$92,611 to \$111,681 or from \$41.49 to \$50.80 per square foot of above ground living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$155,542. The subject property has an improvement assessment of \$106,858 or \$55.98 per square foot of above ground living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located within the same neighborhood code as the subject. The comparables are described as tri-level dwellings of brick and wood siding exterior construction with 1,869 or 1,994 square feet of above ground living area. The dwellings were built in 1963 and 1964. Comparable #1 has an effective age of 1977. All comparables have lower level finished area, central air conditioning, one or two fireplaces and an attached garage with 480 or 483 square feet of building area. The comparables have improvement assessments ranging from \$105,931 to \$113,976 or from \$54.97 to \$60.25 per square foot of above ground living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1, #2 and #3 due to differences in age and/or dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #4 and the board of review comparables which overall are more similar to the subject in location, style, age, dwelling size and features. These comparables have improvement assessments ranging from \$105,931 to \$113,976 or from \$50.80 to \$60.25 per square foot of above ground living area. The subject's improvement assessment of \$106,858 or \$55.98 per square foot of above ground living area is within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
