

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Lerch
DOCKET NO.: 19-06093.001-R-1
PARCEL NO.: 03-28-201-006

The parties of record before the Property Tax Appeal Board are William Lerch, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,859
IMPR.: \$144,564
TOTAL: \$171,423

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,029 square feet of living area. The dwelling was constructed in 2000 and is approximately 19 years old. Features of the home include an unfinished full walk-out basement, central air conditioning, three fireplaces and an attached garage with 877 square feet of building area. The property has a 43,560 square foot site and is located in Wadsworth, Newport Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables improved with two-story dwellings of wood siding or brick exterior construction ranging in size from 3,694 to 4,412 square feet of living area. The homes are 18 or 20 years old. Each comparable has an unfinished full basement, central air conditioning, two or three fireplaces, and an attached garage ranging in size from 728 to 1,102 square feet of building area.

The comparables have the same assessment neighborhood code as the subject property and are located from 491 to 1,699 feet from the subject property. The comparables have improvement assessments ranging from \$119,341 to \$145,885 or from \$31.85 to \$33.07 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$130,942.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$171,423. The subject property has an improvement assessment of \$144,564 or \$35.88 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables improved with two-story dwellings of wood siding, brick, or brick and wood siding exterior construction ranging in size from 3,465 to 3,993 square feet of living area. The homes were built from 1998 to 2003. Each comparable has a full unfinished basement, central air conditioning, one to three fireplaces, and an attached garage ranging in size from 730 to 1,365 square feet of building area. The comparables have the same assessment neighborhood code as the subject property and are located from 433 to 758 feet from the subject property. The comparables have improvement assessments ranging from \$129,968 to \$148,368 or from \$36.29 to \$41.35 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparables submitted by the parties to support their respective positions. The Board gives less weight to the appellant's comparable #4 as well as board of review comparables #1, #3 and #5 due to differences from the subject dwelling in size. The remaining comparables submitted by the parties are relatively similar to the subject in size, age and features. These comparables have improvement assessments that range from \$119,341 to \$148,368 or from \$31.85 to \$37.16 per square foot of living area. The subject's improvement assessment of \$144,564 or \$35.88 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that properties located in the same area are not assessed at identical levels, all

that the constitution requires is a practical uniformity, which exists on the basis of the evidence in this record.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
