

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dennis & Ann Louise Kleper
DOCKET NO.: 19-06192.001-R-1
PARCEL NO.: 16-34-113-002

The parties of record before the Property Tax Appeal Board are Dennis & Ann Louise Kleper, the appellants, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$78,120
IMPR.: \$151,064
TOTAL: \$229,184

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction¹ with 3,284 square feet of living area. The dwelling was constructed in 1965. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 484 square foot garage. The property has a 14,141 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables located within 2,488 feet of the subject property and within the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings

¹ The only description of the exterior construction of the subject dwelling was provided by the board of review and unrefuted by the appellant.

ranging in size from 2,756 to 3,488 square feet of living area. The dwellings were built from 1963 to 1966. The appellants reported that each comparable has an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 441 to 550 square feet of building area. The comparables have improvement assessments that range from \$119,587 to \$154,122 or from \$42.35 to \$44.54 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$143,239 or \$43.62 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$229,184. The subject property has an improvement assessment of \$151,064 or \$46.00 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located within 1,478 feet of the subject property and within the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,251 to 3,695 square feet of living area. The dwellings were built from 1964 to 1970 with three comparables having reported effective ages that range from 1974 to 1981. The board of review reported that each comparable has a basement, four of which have recreation rooms. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 506 square feet of building area. The comparables have improvement assessments that range from \$161,230 to \$206,238 or from \$48.95 to \$56.03 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparable #2 due to its smaller dwelling size when compared to the subject. The Board gives reduced weight to board of review comparables #1, #2, #3 and #5 as each dwelling has a basement recreation room, not a feature of the subject dwelling. The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and most features. The comparables have improvement assessments ranging from \$138,257 to \$181,128 or from \$42.35 to \$49.02 per square foot of living area. The subject's improvement assessment of \$151,064 or \$46.00 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
