

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alex Bravy
DOCKET NO.: 19-06201.001-R-1
PARCEL NO.: 16-36-116-026

The parties of record before the Property Tax Appeal Board are Alex Bravy, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$63,671
IMPR.: \$165,790
TOTAL: \$229,461

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,144 square feet of living area. The dwelling was built in 1965 and is 54 years old with a reported effective age of 1977. Features of the home include a basement with a recreation room, central air conditioning, and a 455 square foot garage. The property has approximately an 11,000 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of stucco or brick exterior construction that range in size from 2,668 to 3,580 square feet of living area. The dwellings are 56 to 83 years

old. Each comparable has a crawl space or concrete slab foundation, central air conditioning, one fireplace and a garage ranging in size from 440 to 550 square feet of building area. The comparables have improvement assessments that range from \$119,022 to \$148,659 or from \$41.52 to \$44.61 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$229,461. The subject property has an improvement assessment of \$165,790 or \$52.73 per square foot of living area.

In rebuttal, the board of review submitted evidence disclosing the appellant's comparables have crawl space or concrete slab foundations in comparison to the subject's basement foundation with a recreation room.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction that range in size from 3,023 to 3,204 square feet of living area. The dwellings were constructed from 1964 to 1976 with three comparables having effective ages ranging from 1968 to 1983. The comparables are reported to have basements with two having recreation rooms. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 512 to 600 square feet of building area. The comparables have improvement assessments that range from \$161,828 to \$186,129 or from \$51.74 to \$58.09 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which have crawl space or concrete slab foundations in comparison to the subject's basement foundation.

The Board finds the best evidence assessment equity to be the board of review comparables which overall are more similar to the subject in location, dwelling size, age and features. These comparables have improvement assessments that range from \$161,828 to \$186,129 or from \$51.74 to \$58.09 per square foot of living area. The subject's improvement assessment of \$165,790 or \$52.73 per square foot of living area falls within the range established by the best comparables in this record. Based on this evidence and after considering adjustments to the

comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
