

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Haskel Weiss
DOCKET NO.: 19-06213.001-R-1
PARCEL NO.: 16-27-107-014

The parties of record before the Property Tax Appeal Board are Haskel Weiss, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,644
IMPR.: \$158,702
TOTAL: \$203,346

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,553 square feet of living area. The dwelling was constructed in 1994 and is 25 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 496 square foot garage. The property has a 7,322 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject. The comparables are improved with 2-story or 2.5-story dwellings of brick or wood siding exterior construction that range in size from 3,006 to 3,889 square feet of living area. The homes range in age from 21 to 65 years old. Three comparables have a basement with finished area and one

comparable has a concrete slab foundation. Each comparable has central air conditioning and a garage ranging in size from 441 to 627 square feet of building area. Three comparables each have one or two fireplaces. The comparables have improvement assessments that range from \$156,286 to \$203,038 or from \$44.34 to \$59.69 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$137,268 or \$53.77 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$203,346. The subject has an improvement assessment of \$158,702 or \$62.16 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story dwellings of Dryvit, brick or wood siding exterior construction that range in size from 2,432 to 2,766 square feet of living area. The homes were built from 1948 to 1999 with the oldest property having an effective age of 1994. Each comparable has a basement with finished area, central air conditioning and a garage ranging in size from 361 to 484 square feet of building area. Three of the comparables each have one fireplace. The comparables have improvement assessments that range from \$164,000 to \$183,265 or from \$62.84 to \$67.43 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight assessment comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3 along with board of review comparable #4 which are dissimilar to the subject in age and/or dwelling size.

The Board finds the best evidence of assessment equity to be the remaining comparables which are more similar to the subject in location, age, dwelling size and some features. These comparables had improvement assessments that ranged from \$164,000 to \$183,265 or from \$59.69 to \$67.43 per square foot of living area. The subject's improvement assessment of \$158,702 or \$62.16 per square foot of living area falls below the range established by the best comparables in this record on an overall basis and within the range on a per square foot basis. Given the subject's unfinished basement, an overall value below the range appears logical. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
