

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adrienne Lasin
DOCKET NO.: 19-06225.001-R-1
PARCEL NO.: 16-34-104-011

The parties of record before the Property Tax Appeal Board are Adrienne Lasin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$63,862
IMPR.: \$138,257
TOTAL: \$202,119

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,104 square feet of living area. The dwelling was built in 1964 and is 55 years old with an effective age of 1967. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 528 square foot garage. The property has approximately a 10,980 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are described as two-story dwellings of brick or wood siding exterior construction that range in size from 2,480 to 3,449 square feet of living area. The dwellings are 54 to 56 years old. Two comparables have concrete slab foundations and two comparables have unfinished

basements. Two comparables have central air conditioning. Each comparable has one fireplace and a garage ranging in size from 484 to 550 square feet of building area. The comparables have improvement assessments that range from \$105,062 to \$144,492 or from \$41.64 to \$43.39 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$202,119. The subject property has an improvement assessment of \$138,257 or \$44.54 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction that range in size from 3,094 to 3,116 square feet of living area. The dwellings were constructed from 1964 to 1966 with comparable #3 having an effective age of 1974. The comparables have basements with one having a recreation room. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 462 to 552 square feet of building area. Comparable #2 has an inground swimming pool. The comparables have improvement assessments that range from \$135,852 to \$152,982 or from \$43.91 to \$49.17 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to differences in dwelling size when compared to the subject. The Board gives less weight to board of review comparable #2 which has an inground swimming pool and to board of review comparable #3 which has a recreation room in basement unlike the subject.

The Board finds the best evidence assessment equity to be board of review comparables #1, #4 and #5 which overall are more similar to the subject in location, dwelling size, age and features. These comparables have improvement assessments that range from \$135,852 to \$148,261 or from \$43.91 to \$47.58 per square foot of living area. The subject's improvement assessment of \$138,257 or \$44.54 per square foot of living area falls within the range established by the best comparables in this record. Based on this evidence and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
