

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marina Shapiro  
DOCKET NO.: 19-06246.001-R-1  
PARCEL NO.: 16-25-105-057

The parties of record before the Property Tax Appeal Board are Marina Shapiro, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$130,225  
**IMPR.:** \$70,969  
**TOTAL:** \$201,194

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 2,080 square feet of living area. The dwelling was built in 1953 and is 66 years old with an effective age of 1974 due to remodeling in 2015. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 462 square foot garage. The property has approximately an 18,880 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with one-story dwellings of wood siding exterior construction that range in size from 1,247 to 2,760 square feet of living area and are 67 to 95 years old. Three comparables have concrete slab or crawl space foundations and one comparable has an unfinished basement. Two comparables have central air conditioning and one fireplace. Each

comparable has a garage ranging in size from 202 to 688 square feet of building area. The comparables have improvement assessments ranging from \$35,176 to \$70,083 or from \$25.39 to \$29.45 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$201,194. The subject has an improvement assessment of \$70,969 or \$34.12 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with one-story dwellings of brick or wood siding exterior construction ranging in size from 1,706 to 2,173 square feet of living area and were built from 1930 to 1962. Comparables #1, #2, and #4 having effective ages of 1964, 1966, and 1954, respectively. The comparables have basements with three having recreation rooms and one being a walk out. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 362 to 528 square feet of building area. The comparables have improvement assessments ranging from \$60,368 to \$87,364 or from \$34.12 to \$40.20 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board finds neither party's comparables were particularly similar to the subject. For example, the appellant's comparables are dissimilar in dwelling size, two are considerably older dwellings and one has a basement when compared to the subject. As to the board of review comparables, all have basements, and one is a considerably older dwelling when compared to the subject. Nevertheless, these comparables have improvement assessments ranging from \$35,176 to \$87,364 or from \$25.39 to \$40.20 per square foot of living area. The subject's improvement assessment of \$70,969 or \$34.12 per square foot of living area, falls within the range established by the comparables in this record. Based on this evidence and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
