

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Kroepfl
DOCKET NO.: 19-06262.001-R-1
PARCEL NO.: 16-36-413-008

The parties of record before the Property Tax Appeal Board are John Kroepfl, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$82,416
IMPR.: \$105,894
TOTAL: \$188,310

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,656 square feet of living area. The dwelling was constructed in 1938 and is approximately 81 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 327 square foot garage. The property has a 10,040 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located from .52 to 1.15 miles from the subject property and within the same assessment neighborhood code as the subject. The comparables are improved with 2-story or 2.5-story dwellings of brick, stucco or wood siding exterior construction ranging in size from 3,076 to 3,964 square feet of living area. The dwellings range in age from 91 to 105 years old.

The appellant reported that each comparable has a basement, one of which has finished area. Each comparable has central air conditioning and a fireplace. Three comparables each have a garage ranging in size from 399 to 615 square feet of building area. The comparables have improvement assessments that range from \$108,571 to \$138,540 or from \$33.87 to \$35.68 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$92,827 or \$34.95 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,310. The subject property has an improvement assessment of \$105,894 or \$39.87 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located from .12 to 1.39 miles from the subject property and within the same assessment neighborhood code as the subject. The comparables are improved with 2-story dwellings of stucco, wood siding or brick and wood siding exterior construction ranging in size from 2,607 to 2,779 square feet of living area. The dwellings were built from 1922 to 1950 but have reported effective ages ranging from 1949 to 1968. The comparables each have a basement finished with a recreation room, central air conditioning, one to three fireplaces and a garage ranging in size from 359 to 605 square feet of building area. The comparables have improvement assessments that range from \$91,261 to \$129,366 or from \$35.01 to \$48.18 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables due to their larger dwelling sizes when compared to the subject. The Board has given reduced weight to board of review comparable #4 due to its location being more than one mile away from the subject. The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, #3 and #5, which are similar to the subject in location, dwelling size and/or design. These comparables have improvement assessments that range from \$91,261 to \$128,001 or from \$35.01 to \$48.18 per square foot of living area. The subject's improvement assessment of \$105,894 or \$39.87 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences in age and features like basement recreation rooms when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
