

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deborah Budnik  
DOCKET NO.: 19-06271.001-R-1  
PARCEL NO.: 16-15-103-010

The parties of record before the Property Tax Appeal Board are Deborah Budnik, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$57,407  
**IMPR.:** \$136,788  
**TOTAL:** \$194,195

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 2,815 square feet of living area. The dwelling was constructed in 1956 and is approximately 63 years old. The dwelling has a reported effective age of 1975 due to remodeling in 2001. Features of the home include a basement finished with a recreation room, central air conditioning, a fireplace and a 440 square foot garage. The property has a site with approximately 16,140 square feet of land area and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within 2,596 feet from the subject property. The comparables are improved with one-story dwellings of

brick or wood siding exterior construction ranging in size from 1,906 to 2,373 square feet of living area. The dwellings range in age from 62 to 68 years old. The appellant reported that each comparable has an unfinished basement, central air conditioning and a garage ranging in size from 264 to 574 square feet of building area. Comparable #4 has two fireplaces. The comparables have improvement assessments that range from \$73,990 to \$92,224 or from \$38.82 to \$39.37 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$109,862 or \$39.03 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$194,195. The subject property has an improvement assessment of \$136,788 or \$48.59 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject and located within 1,896 feet from the subject property. The comparables are improved with one-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,737 to 3,138 square feet of living area. The dwellings were built from 1954 to 1960 with comparables #1 and #2 having reported effective ages of 1974 and 1968, respectively. The board of review reported that each comparable has a basement finished with a recreation room, one of which is a walk-out. Each comparable has central air conditioning and a garage ranging in size from 440 to 552 square feet of building area. Two comparables each have one fireplace. The comparables have improvement assessments that range from \$106,944 to \$153,978 or from \$38.87 to \$54.39 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables due to their considerably smaller dwelling sizes and unfinished basements when compared to the subject dwelling. The Board finds the best evidence of assessment equity to be the board of review comparables, which are similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments that range from \$106,944 to \$153,978 or from \$38.87 to \$54.39 per square foot of living area. The subject's improvement assessment of \$136,788 or \$48.59 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
