

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wayne Barr
DOCKET NO.: 19-06287.001-R-1
PARCEL NO.: 16-04-405-008

The parties of record before the Property Tax Appeal Board are Wayne Barr, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$91,266
IMPR.: \$117,523
TOTAL: \$208,789

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 2,499 square feet of living area. The dwelling was constructed in 1956 and is approximately 63 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 420 square foot garage. The property has an approximately 20,000 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparables are located within the same assessment neighborhood code as the subject property. The parcels range in size from 19,998 to 22,999 square feet of land area and are improved with one-story homes of brick or wood siding exterior construction ranging in size from 2,176 to 2,588 square feet of living area.

The dwellings are from 54 to 64 years old. Three of the comparables each have a slab foundation and one home has a basement. Each home has central air conditioning, one or two fireplaces, and a garage ranging in size from 420 to 609 square feet of building area. The comparables sold from August 2017 to April 2019 for prices ranging from \$415,000 to \$530,000 or from \$185.77 to \$229.78 per square foot of living area, including land.

Based on this evidence, the appellant requested a total assessment of \$170,094 which would reflect a market value of \$510,033 or \$204.22 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$208,789. The subject's assessment reflects a market value of \$634,810 or \$254.03 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales where comparables #3 and #4 are the same as the appellant's comparables #3 and #4 which are described above. Comparables #1 and #2 are located 0.05 or 0.52 of a mile from the subject property and within the same assessment neighborhood code as the subject property. These parcels have 21,000 or 22,600 square feet of land area and are improved with one-story homes of brick or wood siding exterior construction with 2,405 or 2,577 square feet of living area. These dwellings were built in 1960 or 1962. Each home has a basement, one of which has finished area, one or two fireplaces, and a 460 or 500 square foot garage. One of these homes has central air conditioning. These comparables sold in July and September 2018 for prices of \$650,000 and \$725,000 or \$270.27 and \$281.33 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales, with two common comparables, for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2, the appellant's comparable #3/board of review's comparable #3, which each have a slab foundation compared to the subject's basement foundation.

The Board finds the best evidence of market value to be the appellant's comparable #4/board of review's comparable #4 and the board of review's comparables #1 and #2, which are relatively similar to the subject in dwelling size, age, location, and some features. These most similar

comparables sold from July 2018 to March 2019 for prices ranging from \$430,000 to \$725,000 or from \$196.44 to \$281.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$634,810 or \$254.03 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
