

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANTS: Les & Sandra Hoffman
DOCKET NO.: 19-06306.001-R-1
PARCEL NO.: 16-34-105-051

The parties of record before the Property Tax Appeal Board are Les & Sandra Hoffman, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$77,781
IMPR.: \$142,539
TOTAL: \$220,320

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,661 square feet of living area. The dwelling was built in 1978 and is 41 years old. Features of the home include a basement, central air conditioning, one fireplace and an 828 square foot garage. The property has a 21,530 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables located in same assessment neighborhood code as the subject. The comparables are described as two-story dwellings of brick or wood siding exterior construction ranging in size from 2,932 to 5,835 square feet of living area. The dwellings are 41 to 89 years old. The comparables have basements with one having finished area. Each comparable has central air

conditioning, one fireplace and a garage ranging in size from 276 to 552 square feet of building area. The comparables have improvement assessments ranging from \$100,926 to \$203,795 or from \$34.29 to \$34.93 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$220,320. The subject property has an improvement assessment of \$142,539 or \$38.93 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 3,457 to 4,127 square feet of living area. The dwellings were constructed from 1978 to 1987 and have basements with two having recreation rooms. Other features include central air conditioning, one or two fireplaces and a garage ranging in size from 506 to 962 square feet of building area. Comparables #2 and #4 have inground swimming pools. The comparables have improvement assessments ranging from \$150,638 to \$163,090 or from \$39.52 to \$43.57 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables due to significant differences from the subject in age and/or dwelling size. The Board gives less weight to board of review comparables #2 and #4 as each has an inground swimming pool which is not a feature of the subject. The Board finds the best evidence of assessment equity to be board of review comparables #1, #3, and #5 which are relatively similar to the subject in location, dwelling size, design, age and some features. However, two comparables have basement recreation rooms which require downward adjustments to make them more equivalent to the subject. These properties have improvement assessments ranging from \$155,633 to \$162,758 or from \$39.91 to \$42.71 per square foot of living area. The subject has an improvement assessment of \$142,539 or \$38.93 per square foot of living area, which falls below the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this evidence, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
